If not, drink Grain-O—made from pure grains. A lady writes: "The first time I make Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Does Your Head Ache?

Are your nerves weak? Can't you sleep well? Pain in your back? Lack energy? Appetite poor? Digestion bad? Belts or pimples? These are sure signs of poisoning.
From what poisons?
From poisons that are always found in constipated bowels.
If the contents of the bowels are not removed from the body each day, as nature intended, these poisonous substances are sure to be absorbed into the blood, always causing suffering and frequently causing severe disease.
There is a common sense cure.

AYER'S PILLS

They daily insure an easy and natural movement of the bowels.
You will find that the use of

Ayer's Sarsaparilla

with the pills will hasten recovery. It cleanses the blood from all impurities and is a great tonic to the nerves.

Wrought Iron Range Company.

FOUNDED IN 1864.

PAID UP CAPITAL, \$1,000,000.

See what the people of Snyder County, who have been using the Home Comfort Range, have to say:

McKees Halt Falls, Pa., Aug. 7, 1899.
Our New Home Comfort Range has proved to be just as the salesman represented it to be and I would not part with it for anything in reason. We have never seen a stove or a range that would in any way near equal it for cooking, baking or boiling. Justice it to say, we think it is the acme of perfection.
T. B. HALL,
LEWIS FISHER,
E. STAHL.

McKees Halt Falls, Pa., Aug. 7, 1899.
We purchased a Home Comfort Range six years ago and like it. It is a good baker and heater also a fuel saver and convenient. I am well satisfied.
G. S. RINE.

Dundee, Pa., Aug. 7, 1899.
I wish to say to the public that our Home Comfort Range is all the salesman claimed for it. It does not use half as much fuel as our old stove did. I put half a bucket of coal in the range at 9 A. M. and cooked dinner with the same fuel and had plenty of fire at 1 P. M. The tank is just the thing for washing. Steam escapes from it. If this does not satisfy any one, they can come and see and I will show them how it works.
D. G. WITMER.

Snyder County, Pa., Aug. 7, 1899.
Having bought one of your improved Home Comfort Ranges, I take great pleasure in saying that it has proven entirely satisfactory. It bakes perfectly, heats quickly and requires but little fuel; furnishes plenty of hot water for all purposes; in fact it is to the home what improved machinery is to the farm and as such we cheerfully recommend it to our neighbors and friends.
LEVI STAHL.
