**Consumption**

is robbed of its ferrors by the fact that the best medical authorities state that it is a curable disease; and one of the happy things about it is, that its victims rarely ever lose hope.

You know there are all sorts of secret nostrums advertised to cure consumption. Some make absurd claims. — only say that if taken in time and the laws of health are properly observed.

**SCOTT'S EMULSION**

will heal the inflammation of the throat and lungs and nourish and strengthen the body so that it can throw off the disease.

We have thousands of testimonials where people claim they have been permanently cured of this malady.

There is more catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case that fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by all Druggists.

**Nearly Fifty-Eight Years Old!**

It's a long life, but devotion to the true interests and prosperity of the American People has won for it new friends as the years rolled by and the original members of its family passed to their reward, and these admirers are loyal and steadfast to day, with faith in its teachings, and confidence in the information which it brings to their homes and fire-sides.

As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experiences of over half a century.

It has lived on its merits, and on the cordial support of progressive Americans. "New York Weekly Tribune" acknowledged the country over as the leading National Family Newspaper.

Recognizing its value to those who desire all the news of the State and Nation, the publisher of THE POST, (your own favorite home paper), has entered into an alliance with "The New York Weekly Tribune" which enables him to furnish both papers at the trifling sum of \$1.25 per year.

Every farmer and every village owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper as it words constantly and untiringly for his interests in every way brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family.

Just think of it! Both these papers for only \$1.25 a year. Send all subscriptions to "THE POST," Middleburgh, Pa.
