NO USE TRYING

I can't take plain cod-liver oil. Doctor says, try it. He might as well tell me to melt lard or butter and try to take them. It is too rich and will upset the stomach. But you can take milk or cream, so you can take

Scott's Emulsion
 It is like cream; but will feed and nourish when cream will not. Babies and children will thrive and grow fat on it when their ordinary food does not nourish them. Persons have been known to take a pound a day when taking a ounce of Scott's Emulsion. It is the digestive machinery in working order so that the ordinary food is properly digested and assimilated.

A WONDERFUL CURE OF DIARRHŒA

A Prominent Virginia Editor Had Almost Given up, but was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhœa Remedy.

From the Times, Hillsdale, Pa.
 I suffered with diarrhœa for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhœa Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow-sufferers that I am a hale and hearty man to day and feel as well as I ever did in my life.—O. R. MOORE. Sold by all Druggists.

Nearly Fifty-Eight Years Old!
 It's a long life, but devotion to the true interests and prosperity of the American People has won for it new friends as the years rolled by and the original members of its family passed to their reward, and these admirers are loyal and steadfast to-day, with faith in its teachings, and confidence in the information which it brings to their homes and firesides.
 As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experiences of over half a century.
 It has lived on its merits, and on the cordial support of progressive Americans.
 It is the "New York Weekly Tribune," acknowledged the country over as the leading National Family Newspaper.
 Recognizing its value to those who desire all the news of the State and Nation, the publisher of THE POST, (your own favorite home paper), has entered into an alliance with "The New York Weekly Tribune" which enables him to furnish both papers at the trifling sum of \$1.25 per year.
 Every farmer and every village owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper as it words constantly and untiringly for his interests in every way or brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family.
 Just think of it! Both these papers for only \$1.25 a year. Send all subscriptions to "THE POST," Middleburgh, Pa.
