COUNTY COMMISSIONERS.

John P. Wetzel of Beavertown and G. F. Miller of Freeburg are the Republican candidates for County Commissioners. They are men of sound business judgment, who know by practical experience the trials that beset a farmer and will gladly do all they can to reduce taxation. In the County Commissioners' office there can be a great deal of reckless expenditure of public money and it is wise to select men of good business.

SNYDER COUNTY MARRIAGES

1835-1800, -- COMPILED BY--

GEO. W. WAGENSELLER, A. M.,

- AUTHOR OF -

"HISTORY OF THE WAGENSELLER FAMILY IN AMERICA," FORRY AND ORWIG GENEALOGIES.

The record of the marriages published in this book have been carefully gathered from various sources and represent those who were married in Snyder County, Penna, during the time specified, but also many from adjacent counties. It is the first volume of this character published in any county in the Commonwealth of Pennsylvania, There is a record of more than

7,500 Marriages or 15,000 Names,

of persons who resided in this county and who are now residing here. It is not represented to contain every marriage solemnized in this county during that period, but only such whose records could be secured, but for the greater period the record is nearly complete. The records consulted arc as

follows:

1. From 1868 to Oct 1, 1885, the marriages are taken from the files of the Middleburg Post.

2. From Oct. 1, 1885, when the license law went into effects of the record was taken from the license.

docket of Snyder County, Pa.
3. Rev. Adolf B. Casper's Marriage Record.
4. Rev. John Peter Shindel's (Jr.) Marriage Record.

Rev. Charles Gustavus Erlenmyer's Marriage Record. An Index of Surnames.

has been made and published in the book enabling easy ac-

cess to any name in the volume. There are represented 1813 different surnames.

Points to be Considered. There are a great many points to be considered which demonstrate the value of having this publication at your finger's ends. We can name only a few at this time;

1. It is a ready reference book of marriages which recalls many pleasant events and also places a permanent record in the hands of your posterity with which they will

never be willing to part. It is a very useful guide to assist you in fixing the dates of collatteral events. It is an indispensable book for the genealogist and

the historian. 4. It is of incalculable value to the politician who should be thoroughly posted concerning the "dear" people. 5. The Lawyer, Doctor, Clergyman, Editor and Teacher will find it a convenience, and, in time, almost a necessity,

nearly every day of his life.

6. Not a store, hotel, nor a business place of any kind in Snyder County should be without a copy of this book.

7. No historical or genealogical, nor any other public library is complete without a copy of this work.

Special Offer.

This book like many others that will be called for only by a limited number of people will of necessity cost more per volume than those whose circulation frun into tens and even hundreds of thousands of copies. There will be only about three hundred copies of this work and those who wish a copy should not delay placing an order early. The preparation of this book has entailed a great deal of labor and expense and so far as the remuneration is concerned, we should have at least Five Dollars per volume for it. We do not, however, desire to make the price a barrier, and imbued with the idea of placing the book within the reach of all, we have decided to offer it for

Only Three Dollars a Copy.

Orders by mail will have our prompt attention. An agent is wanted in every district of the county to solicit orders, Address all communications to the compiler,
