The Company owns over twelve thousand acres of rich copper land in Texas, opened, tested, developed and NOW BEING OPERATED. Millions of tons of copper bearing clay and marl running from five to ten per cent., and large quantities of ore carrying from fifty to seventy per cent. copper in sight. Cheaply mined and treated, favorable climate, cheap fuel, and ample water. Tested by geologists, chemists, experts and engineers to be one of the greatest in the world. Amount of land, quantity and quality of ore, cheapness of mining and treatment, the increasing demand and profit in producing copper establish the Boston and Texas Copper Company possesses unequalled advantages and offers the best kind of an investment.

This Company can produce copper as cheaply as any in the world.
COPPER MINING IS THE SAFEST AND MOST PROFITABLE OF ALL INDUSTRIES.

Calumet and Hecla ore averages 4 1-2 per cent. copper. It has paid \$62,850,000 dividends
 Tamarack ore averages 3 per cent. It has paid \$5,910,000 in dividends.
 Atlantic ore averages 85-100 of 1 per cent. It has paid \$780,000 in dividends.
 Boston and Montana ore runs 7 per cent. It has paid \$10,775,000 in dividends.
 Franklin ore averages 1 37-100 per cent. It has paid \$1,200,000 in dividends.
 The Quincy ore averages 1 8-10 per cent. It has paid \$11,070,000.

THE AVERAGE OF BOSTON & TEXAS ORES IS OVER 50 PER CENT., and of copper marls and clays from 5 to 10 per cent. Both the ore, marl and clay are within a few feet of the surface of the ground, so that the expense of mining and hoisting is minimized. A party of New England capitalists who have just returned from an examination of the mines in conjunction with one of the ablest mining engineers in the country, report the property to be one of the largest and best in America, and to contain inexhaustible quantities of rich copper deposits.

It is estimated that the plant now being arranged for will produce \$3,000 to \$5,000 per day, NET.

Prospectus, engineers' reports, assays and full information will be furnished on application. Remit by check, P. O. order, draft or registered letter to Treasurer. Limited amount of stock only at \$5 per share, full paid and non-assessable, by immediate application.

PRESIDENT MCKINLEY.

"I am glad to participate with the families, friends and fellow citizens of the Tenth Pennsylvania volunteers in this glad reunion. You have earned the plaudits not alone of the people of Pennsylvania, but of the whole nation. You made secure and permanent the victory of Dewey. You added new glory to the American arms. Every one of the noble men, of the regulars or volunteers, soldiers or seamen, who thus signally served their country in its extremity (remained in the service after the expiration of their period of their enlistment) deserves the special recognition of congress, and it will be to me an unfeigned pleasure to recommend for each man a special medal of honor. The government to which you gave your love and loyalty welcomes you to your homes. With no blot or stain upon your record, the story of your unselfish service to country and to civilization will be to the men who take your places at the front and on the firing line, and to future generations, an example of patriotism and an inspiration to duty."—President McKinley to Lieut. Col. Barnett and his comrades of the Tenth Pennsylvania volunteers, at Pittsburg.

SECRETARY OF STATE HAY.

"It is the duty of every Republican, no matter in what state he may live, to go to the polls next month and support the nominees of his party, and by so doing assist in bringing about a sweeping Republican triumph throughout the country. Nothing could be more gratifying to the Republican national administration and nothing could give more encouragement to the president in carrying out the policies he has outlined. Enemies of the country and the political opponents of our party would rejoice over a falling off of the Republican vote this fall. No more patriotic duty can be performed by Republican citizens than going to the polls and casting a straight Republican ballot and by getting their neighbors to do likewise. Next year's presidential contest is already under way. Republicans should be on the alert."—Secretary of State Hay, in recent interview.

SOLDIERS ARE DELIGHTED.

The soldiers who are with Colonel Barnett on his tour are all delighted with the ovations that the party are receiving at every stopping point. Major Killian, of the First Nebraska, who was with Barnett in the Philippines, and who came east to help him in his canvass, makes a rattling campaign orator. He says the people of Pennsylvania are most patriotic and that from what he has seen and heard on this trip he is confident that Colonel Barnett will be elected by an immense majority.

The Barnett party are due at Reading tonight, Lancaster tomorrow night, West Chester on Friday and Media in the afternoon and Chester in the evening on Saturday next.

For the following week this is the schedule: Monday, 23d, reception in Philadelphia; Tuesday, 24th, Indiana; Wednesday, 25th, Kittanning, Armstrong county; Thursday, 26th, New Castle, Lawrence county; Friday, 27th, Franklin, Venango county, and Saturday, 28th, Erie. They will open the last week of the canvass at Warren, Warren county, on Monday, Oct. 30; on Tuesday, 31st, they are due at Bradford, McKean county; Wednesday, Nov. 1, at Williamsport. They are to be given a reception by the Penrose club, of Philadelphia, on Friday, Nov. 3, and by the Young Republicans of Philadelphia on Saturday, Nov. 4. This schedule is subject to a few changes. The Dauphin county Republicans insist upon Colonel Barnett visiting Harrisburg on the last Saturday of the canvass.

General Gobin has another party of spellbinders, who are at work daily. They are booked for Brookville this evening, Kittanning tomorrow afternoon and Butler in the evening, and Franklin on Thursday and Greenville, Mercer county, on Friday. They go to Meadville next Saturday. This party is accompanied by the Tenth Regiment Glee club, which is making a big hit wherever meetings are held.

Official Election Returns Which Show That He Does Not Stand Well With His Neighbors.

(Special Correspondence.)
 Harrisburg, Oct. 17.—Make a note of the date—Election day, Tuesday, November, 7.

All good Republicans will bear this in mind. This is going to be a great year in national politics. The result of the elections in the several states next month will be watched not only by the people of the United States, but by the nations of the world. The issue of the foreign policy of the McKinley administration is inseparably connected with the canvass in every state in which there is to be an election, and the returns will be watched and reviewed with particular reference to their bearing upon the national administration.

Nothing that has occurred in politics since the last presidential election has created as much talk as the proclamation of Aguinaldo to his followers, in which he said:

"In America there is a great party that insists upon the government recognizing Filipino independence. We must show gratitude and maintain our position more resolutely than ever. We should pray to God that the great Democratic party may win the next presidential election."

This declaration from the ringleader of the insurgents has attracted widespread attention, and Democrats who are loyal to their government are disgusted with the position in which their leaders have placed them and their party. They will refuse to vote the Democratic ticket this fall.

There is every reason why every Republican should go to the polls on

BARNETT'S TOUR A BIG SUCCESS.

Republican Candidate For State Treasurer Enthusiastically Received.

A STRAIGHTFORWARD PLATFORM.

Will Administer the Office For the Benefit of the Whole People.

TO GUARD PUBLIC MONIES.

Will Insist Upon Immediate Payment of Interest Upon Public Funds and Will Cash Warrants Promptly.

(Special Correspondence.)

Philadelphia, Oct. 17.—The tour of Colonel Barnett, the Republican nominee for state treasurer, has been a series of popular demonstrations of enthusiasm, and as he proceeds in his canvass the meetings get larger and the ovations more enthusiastic. Many of the scenes witnessed in Roosevelt's whirlwind campaign for governor in the Empire state are being repeated here. The people, regardless of party, are turning out to receive the young soldier fresh from the Philippines, and all indications are that many of them will disregard politics when they vote next month and Democrats and Republicans alike will honor him with their ballots. Colonel Barnett is not a spectacular orator. He does not play to the galleries, but in a straightforward, matter of fact way he discusses the issues and tells the people just what he will do in the event of his election. He spoke plainly as to the office of state treasurer in a recent speech.

BARNETT'S PLATFORM.

In this address, among other things, he said:

"The platform adopted by the Pennsylvania Republican state convention is the best that has been promulgated in any commonwealth of this republic. If I shall be elected to the office of state treasurer I shall ask no better rule for my guidance than the enunciations of that platform. Under those principles I shall hold the position for the whole people, irrespective of party. It shall be my duty, and it will be so fulfilled, as an accounting officer of the state, to aid in the prompt collection of taxes and claims, the prompt settlement of all accounts against delinquents, whether individuals, companies or corporations, without fear or favor, for the purpose of maintaining the credit of the state by promptly paying, under due warrants of law, all claims and appropriations. And especially for facilitating and carrying on the work of our grand free school system in every district, no matter how small or how remote.

"The Republican party has placed upon our statute books a law which compels bankers to pay interest on daily balances of deposit of state money. That interest shall be promptly collected and applied, under provisions of law, to the obligations of the commonwealth.

"It is not the reform of abuses that the Democratic party desires. It is after bigger game. It hopes to create dissensions in the Republican ranks that will serve to disrupt and disorganize the party and give them a chance to carry the presidential election next year. Let Republicanism be shaken in its very citadel and the party in every state in the Union will be seriously affected. Democratic victory means that the flag shall be hauled down from over the Philippines and the national name suffer its first dishonor."

DISCURE FOR

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and tastes like the finest grade of coffee and costs about as much. Children like it and thrive on it because it is the genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15c and 25c.
