A SOUTHERN JAMBOREE.

We have just received from the publishers a copy of this most unique musical composition. It is certainly one of the most catchy and attractive pieces of music that we have ever heard. It is almost impossible to keep your feet still while it is being played and it is making as big a hit as "Georgia Camp Meeting." A sufficient guarantee of its merit is the fact that it is from the pen of Mr. J. W. Lerman, the composer of the now famous "Kaya Kaya Dance." It has been dedicated to Mr. Thos. F. Shannon and introduced by him and his famous Twenty-Third Regiment Band, N. G. N. Y. Mr. Shannon, who was formerly manager of Sousa's Great Band, knows a good thing when he sees it and he is having such success in playing it that Sousa, Innis, Brooke, Washington Marine and all the largest and best known bands in the country have taken it up and are now playing it to most enthusiastic audiences. The regular price of this music is 50c a copy, but if our readers will be sure to mention the Post they can secure a copy by sending 20c to the Union Mutual Music Co., 20 E. 14th Street, New York.
