The Hishonest Ballot.

If only the half is true that is that city is weighted down with loads of corruption. Ballot reform is badly needed in that city. When a system of voting is so basely prostituted that the will of a people is falsely registered, that government must retrograde. Ballot stuffing should be punished to the full extent of the law. The priceless legacy of our forefathers-the ballotis reduced to a nonentity, unless the perpetrators of this rottenness are placed behind prison doors.

The enactment of this provision would at least alleviate the pollution, but as long as the depravity of human nature exists, there will be perversion.

If you would eradicate so base an evil, you must educate the masses and impress upon them, not only the enormity of the crime, but also the necessity of their personal and ind'vidual attention to exterminate all vicious practices that tend to defeat the honor and integrity of American citizenship.
