

PORT TREVERTON.

Miss Jennie Charles spent Sunday in Chapman. R. M. Shaffer, who had been sick, is convalescing. C. W. Knights made a business trip to Sunbury. Natural gas is very plenty since "Toddy" is elected. A. B. Davis was visiting his many friends in our place. J. I. and H. F. Charles are rebuilding their stable. Miss Carrie Reichenbach visited friends in the country. Judge and Whitey want to know if we are all inspectors. Parks Shambaugh is spending a few days at Middleburg. Quite a number of our people are attending court this week. Norman Fisher of the Isle of Que, was visiting his son-in-law. B. F. Arnold, who is working at Milton, spent Sunday at home. Clarence Clock made a flying trip to Shamokin Dam on Sunday. Miss Linnie Aucker, our noted pianist, is progressing very rapidly. The "Maize" which is used to irrigate, was sunk on Saturday night. Harvey Bogar of C. P. C., New Berlin, is spending a week at home. W. O. Noll, J. E. Neitz and R. Fultz are working for the P. R. R. Co. Miss Nellie Hertzog of Shamokin is spending a week at P. A. Bingham's. Rev. Brillhart left on Wednesday for Conference which will be held at Williamsport. Skating was the most interesting amusement of the young folks the fore part of the week. Rev. Fenstermacher returned home from conference owing to the illness of his children. Miss Dollie Hoover, who was working at the Packer House, Sunbury, has returned home. "Gaily," who was working at Rock Glen, has received his clothes, a mail bag and his discharge. On Monday the river was uncrossable owing to the ice. The mail was brought by way of Selingsgrove. Cold weather has again set in to show us that it is still winter, and the people are feeling the effects of it by a gripe. On the 20th inst. while election was being held at the Ferry Hotel one of our young ladies and Mr. J. were there calling. Shortly after they came there, Miss J. excused Mr. J. and admitted Mr. T., who was waiting for the returns. You are all right, Jen., but Mr. J. will not eat another false goose with you. It is stated that a telegrapher on the West Branch sent a false message on Friday, viz: "The gorge above Jersey Shore broke at twelve o'clock to-day, and several million feet of logs were coming." Of course our leading algebrers, Jicky and Pippy, Reddy and Kassey, got their outfit ready and started to meet the logs at eleven o'clock that night. The logs never came and the only thing they caught was a cold.

SELINGSGROVE.

Rev. and Mrs. Gensyler returned from their trip to Philadelphia. Frank Ecklema of Harrisburg is visiting friends in this place. Miss Bessie Gearhart of Sunbury is a welcome visitor at Grandma Schoch's. Mrs. Susan Fisher died suddenly last Thursday and was buried Monday afternoon. The streams in this section were very high last week, and the ice passed off for the third time this winter. The Glee and Mandolin Clubs returned home Saturday evening from a trip beyond Lewistown where they gave elegant satisfaction. Mrs. C. O. Moyer returned from her trip to New York where she spent several weeks with her husband who is employed there. Dr. Heisler spoke before a teachers' institute at Hughesville, Lycoming Co., on Saturday. He also preached for Dr. Barb on Sunday. The exercises on Washington's birthday in the Opera House under the auspices of the Post and Women's Relief Corps were well attended and were excellent in character. The knitting factory has started operation. I have not learned how many are employed, but learn that as fast as parties can be taught to operate machines, more will be started.

UNION TWP.

Rev. W. E. Brillhardt is at Williamsport attending conference this week. There are many families in our little town that will change houses this spring. Jerre G. Martin attended the Evangelical Ass'n Conference at Reading last week. William Reigle has gone to Selingsgrove and will work for Geo. Schoch the coming summer. Merchant R. L. Schaffer and Oliver Aucker were seeing the sights in Shamokin over Sunday. Watchmaker A. E. Aucker of Verdilla is kept very busy repairing watches and clocks. Give him a call. The entertainment at Keiser's on Friday night was a grand success, good music, good speeches, good plays, good all through. Louis Scholl, head roller for the firm of Taylor, Tube and Pipe Co. at Washington, Pa., spent a few days of last week among friends here. The Wither's Sunday School elected the following officers for the coming year: Supt., A. T. Strawser; Asst. Supt., A. E. Wither; Sec'y, A. S. Sechrist; Asst. Sec'y, I. W. Longacre; Treas., G. Wise; Organist, Miss Cora Sechrist. We are sorry to note the fact that by our short communication some time ago concerning the female candidate for school director at the Republican primary, we hurt the political business of some unsuccessful sign painters. Although we now know that women are eligible to the office of school director, this does not say that 16 votes elect one, but it simply shows how far our influence goes, and if we have secret friends at Sunbury or Nanticoke, that does not help us as they have votes. But they say that it takes all sorts of people to make the world and it is awfully hard putting up with them. A. R. De Fluant, editor of the Journal, Doylestown, Ohio, suffered for a number of years from rheumatism in his right shoulder and side. He says: "My right arm at times was entirely useless. I tried Chamberlain's Pain Balm, and was surprised to receive relief almost immediately. The Pain Balm has been a constant companion of mine ever since and it never fails." For sale by all Druggists.

SHADEL.

Mrs. Charles Neitz and her children are visiting her parents, T. T. Reichenbach's this week. The funeral of George Shaffer's child of Meiserville was held at Grubb's church on Monday. H. A. Ebricht of Aline purchased a tract of timberland from John Shatterly. Consideration \$100. Quite a number of our farmers are complaining that the grain fields will be damaged this winter on account of the heavy rains and cold weather that prevails. Quite a number of people from Chapman are attending court for the purpose of hearing the trial of Mrs. William Shirk who is at present confined in the county jail. E. D. Moyer and Harvey Moyer of Freeburg will both move to Liverpool, Perry Co., next month. I hope they will meet with success in their business in that county.

GRAIN-O! GRAIN-O!

Remember that name when you want a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it. Grain-O is made of pure grains, it aids digestion and strengthens the nerves. It is not a stimulant but a health builder and the children as well as the adults can drink it with great benefit. Costs about one-fourth as much as coffee. 15c. and 25c. per package. Ask your grocer for Grain-O.

Gilbert. H. I. Romig has taken the contract to erect several buildings in Sunbury. The grammar school of this place will have no school during the week owing to the fact that Prof. Smith has been chosen as a juror. Miss Estella M. Romig's school Bickel's will hold an entertainment on Friday evening, March 2nd. A varied programme consisting of recitations, coon songs, etc., will be rendered. All are cordially invited to attend.

Have You Heard Of It?

You may have heard about SCOTT'S EMULSION and have a vague notion that it is cod-liver oil with its bad taste and smell and all its other repulsive features. It is cod-liver oil, the purest and the best in the world, but made so palatable that almost everybody can take it. Nearly all children like it and ask for more.

SCOTT'S EMULSION

looks like cream; it nourishes the wasted body of the baby, child or adult better than cream or any other food in existence. It bears about the same relation to other emulsions that cream does to milk. If you have had any experience with other so-called "just as good" preparations, you will find that this is a fact.

The hypophosphites that are combined with the cod-liver oil give additional value to it because they tone up the nervous system and impart strength to the whole body.

See and get it at all druggists. SCOTT & BOWNE, Chemists, New York.

KREAMER.

Quite a number of candidates were in town last week. Quite a number of our citizens attended court this week. Cornelius, the photographer, is in town at present taking penny pictures. Mrs. A. W. Howard Ullsh of Selingsgrove transacted business in town between trains Friday afternoon. J. F. Walter and family attended the funeral of Mrs. Walter's mother, Mrs. Susan Fisher at Selingsgrove on Monday. Rev. Simon Aurand delivered a very interesting and instructive sermon in the school house Thursday evening. He had for his theme, "The Fullness of Christ."

William Bickel, who had been sick with typhoid fever and was confined to the house nearly all winter, was noticed on our streets the other day. We are glad to see you enjoying your usual good health, Will.

SHAMOKIN DAM.

Smith of Adamsburg was in town on Thursday looking up his political interests. Geo. Gaugler and son, Daniel, made a business trip to Middleburg Wednesday. D. P. Ritter was in Middleburg on business on Monday. G. W. Boardman visited his sister, Mrs. Bickhart, near Freeburg over Sunday. Miss Edith Dotry visited relatives in Sunbury the latter part of last week. M. S. Wendt, wife and daughter, Lillian, visited relatives and friends near New Berlin over Sunday. There is a sudden change in the weather at present. We suppose it is so that some of our candidates will not sweat on their journey up salt creek. Mrs. Cyrus Shipe is visiting her parents, Josiah Benner and family.

What do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and nourishing and takes the place of coffee. The more Grain O you give the children the more health you distribute through their systems. Grain O is made of pure grains, and when properly prepared tastes like the choicest grades of coffee, but costs about 1/4 as much. All grocers sell it. 15c. and 25c.

FREEBURG.

Washington's Birthday was celebrated by appropriate exercises in the public schools throughout our township. Prof. Geo. W. Walborn will open the spring term of the Freeburg Academy on April 16, for the benefit of teachers. Many of our ladies are vieing with one another for the greatest number of quiltings and also for the finest work put on them. Miss Sue Erlenmeyer, accompanied by her brother, Victor, leaves for Philadelphia this week where she expects to spend some time. February has been received and entertained with the warmest enthusiasm but owing to its unavoidable reverses it has turned the "cold shoulder" upon its throng of admirers.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by all Druggists.
