Saturday evening Rev. Spangler of Salona preached a very interesting sermon, to a large audience, in the St. Luke's church.

The farmers are all busy at ploughing. Not one can be found idle during these nice spring days that have once more returned unto us.

A polite young man enters church as quiet as he can when services are in session. What kind of a young man is he who makes all the noise he can?

I think the board walks in our little town ought to receive some attention. They do not seem to be safe for a person to walk over them, and it doesn't look well to compel people to take the middle of the road.

R. F. Smith puts his feet under his own table. He thinks he has a better appetite than usual, but I think it is just because he must buy the grub himself, which causes him to think of the cost. You will get over that, Frank.

Communion services were held by Rev. Spahn in the Grace Reformed church. The Rev. is very active, and as a consequence, draws large audiences. After the services were all over the Rev. betook himself and wife to Isaac Krebs', where he performed the Holy Bonds of Matrimony, the contracting parties being Chas. Hackenburger and Maggie Sipe. May peace and happiness go with them down the river of life.

The young American is now set free from school life in this township excepting those of the Grammar school, which ends on Friday, April 13th. This has been a peaceful winter. We heard no quarrel or complaint about any of our teachers. The parents, children and teachers seem to be well satisfied with the work that was accomplished, and thus they should be so that children, teachers and parents can meet like friends, and so it can all be if parents, children and teacher all perform their duty.

**Broken-down Women**

weary from pain and the torture of over-taxed nerves, it is but natural that you should be low-spirited and dejected. Worn-out by the care, the worry and the long suffering from weaknesses that have baffled the best efforts of your family doctor, it is no wonder you have become discouraged, and think there is nothing left for you but suffering and misery. Do not give up all hope, do not lose all courage. Remember Dr. Miles' Nervine has helped thousands of despondent women to regain their lost health and failing strength. It quiets the irritated nerves, rests the weary brain and drives worry and care away. It gives zest to the failing appetite, invigorates the digestion and adds new strength and vigor to the whole system. Don't forget the name.

**DR. MILES' Nervine.**

"Change of life left me a total wreck and I suffered nervousness, rheumatism, heart trouble and dizziness. When I commenced taking Dr. Miles' Nervine last December I was thought to be in the last stages of nervous prostration and was scarcely able to move about the house. I began to improve almost from the first dose, and in a few months I was enjoying better health than I had before in fifteen years. I am now able to walk ten or a dozen blocks without feeling in the least fatigued, and I bless the day I first heard of Dr. Miles' Nervine."

Mrs. Dr. Norris, Rock Rapids, Ia. Sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.
