The well known writer, Evelyn Hunt in her book entitled 'Womanly Beauty' says: 'It is my contention that every woman not only may but should possess a charming personality of face, figure and manner. To attain and preserve beauty is the proper study of womankind. A meagre figure may be developed; harsh, uneven features may be softened, refined and rendered harmonious; a sallow or muddy complexion may be freshened, brightened and made clear; dull eyes without expression, may gladden and sparkle and unshapely blemishes of every kind may be removed. Facial defects and shrunk, impoverished, undeveloped figures may be permanently remedied and womanly beauty acquired and retained. It is every woman's duty to accomplish these results.' The Marilla Company, 116 Fulton Street, New York, offers to send a copy of Evelyn Hunt's book free, with a small size box of 'Cassandra Cream' and a free cake of 'Cassandra skin soap,' to any lady who sends five two-cent stamps to cover expense of mailing. The regular price of this book is 50 cents and it contains valuable interesting information and is full of good advice for ladies who desire to acquire and retain loveliness of face and form. 'Cassandra Cream' is a wonderful beautifier of the complexion and makes the skin soft, fresh and white by removing all impurities and discolorations. It is a perfectly pure preparation and will not injure the most sensitive skin. 4-10-12.
