Does Coffee Agree With You?

If not, drink Grain-O from pure grains. A lady writes: "The first time I made Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful table beverage for old and young. 15c. and 25c.

Did you read "In His Steps?" If you did not you missed the book sensation of the decade. No book produced in the last ten years has been more discussed by people of all stations. No book professedly religious in its teaching has ever been so widely read. The author of "In His Steps" is Rev. Charles M. Sheldon. It is by no means his only successful effort in book making. He wrote "The Crucifixion of Philip Strong," a story fully as absorbing in interest as "In His Steps." We have purchased this story and it will be printed in this paper soon. We believe our readers will enjoy it.

INDEPENDENCE.

(Too late for last week.)

Not a few of our citizens contemplate viewing the sights at Sunbury, May 3. Minnie Sufel and Maude Shaffer left today for Sunbury where they intend to stay during the summer.

Katie remembers the teachings of the prophet David, when he said, "He can not come back to me, but I can go unto him."

Tommy and Charley are rivals for the same position. The one that Minnie supports will be the successful candidate.

The bass season will soon be here, good boats and excellent accommodation to be found at J. O. Martz's Hotel at this place.

The boys from our township have decided to attend the Freeburg academy, and after a trial of one week they are elated, asserting the knowledge and wisdom of our well beloved teacher.

Some of the sports from our town were presented with a pair of iron bracelet Saturday evening at Selinsgrove Junction. They were, however, soon released, but then they had a fair complexion when they arrived here.

THIS WEEK'S NEWS.

R. W. Musser will ship his lumber to Lewisburg.

Mr. and Mrs. Martz spent a few days at Millersburg.

The funeral of Michael D. Shaffer was well attended.

Henry Herold is repairing his boat for boating, but the company is not ready.

Misses Mabel Reichenbach, Laura Rine and Jennie Kerstetter of McKees Half Falls visited Norman Biekel's Sunday.

Look for the Warning.

Heart disease kills suddenly, but never without warning. The warnings may be faint and brief, or may be startling and extend over many years, but they are none the less certain and positive. Too often the victim is deceived by the thought, "It will pass away." Alas, it never passes away voluntarily. Once installed, heart disease never gets better of itself. If Dr. Miles' Heart Cure is used in the early stages recovery is absolutely certain in every case where its use is persisted in.

"For many years I was a great sufferer from heart disease before I finally found relief. I was subject to fainting and sinking spells, fullness about the heart, and was unable to attend to my household duties. I tried nearly every remedy that was recommended to me and doctored with the leading physicians of this section but obtained no help until I began taking Dr. Miles' Heart Cure. It has done me more good than all the medicine I ever took."

Mrs. ANNA HOLLOWAY, Geneva, Ind.

Dr. Miles' Heart Cure is sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.

KANTZ.

Geo. I. Kline were visiting Sunday.

B. F. Dock bought a horse this week.

F. P. Holsapple sports a dandy horse.

A. T. Dreese planted corn Saturday.

Most of the farmers are ready to plant corn.

The belling was well attended at Hoff's.

H. Holtzapple sold two cows last week.

Some of our young men expect to attend the show at Sunbury Thursday.

And now Wilson Hoff has taken unto himself a wife. Good choice, Wilson.

Is it true that F. M. Dock needs a cane? Why? Because he is grand-pa.

Sadie Romig and Mrs. George Paige were to Sunbury Saturday to have their teeth extracted and artificial ones replaced.

L. G. Kline was very unfortunate some time ago. He was smoking and forgetting to empty his pipe burned a large hole in his coat.

The following pupils are attending Freeburg Academy: F. C. Romig, H. C. Dreese, Olive and Katie Stahl, Minnie and Sigman Miller.

Quite a number of our people attended church at Freeburg Sunday. It being the last sermon of Rev. Druckenmiller for his parish in this county. Good bye Rev.

The Kantz band is still improving. They expect many calls this coming season. Any information wanted, inquire of the Secretary, F. P. Holtzapple, Kantz, Pa.

A. G. Glase says if the Editor of the Post would know or get hold of the person who reports the Kantz items, he would collar him. The reporter says it always takes two to make a bargain.
