The Crucifixion of Phillp Strong.

Beginning with the next issue of

the Post, we will publish the most

fascinating story of Rev. Chas. M.

Sheldon, entitled "The Crucifixion

of Philip Strong." The story is a

splendid sequence to "Robt. Hardy's

Seven Days" which we complete this

week. Those of our readers who

followed Robert Hardy in his seven

days' experience, need no introduc-

tion or recommendation to any other

of Rev. Sheldon's writings. "The

Crucifixion of Philip Strong" is far

more interesting than Robert Hardy.

Both stories were bought by us for

ciate the best literary productions in

read as those of Rev. C. M. Sheldon.

Filled with pith, righteous, moral

callings of life, a keener respect for

bued with the most eminent virtues

of Christian citizenship, every read-

er of Rev. Sheldon turns from the
