 It is an established fact that we American people sleep less, eat more, read more, talk more and I almost said work more (which would be a mistake) than any other nation on the face of the earth. The reason that we do not work more is that we have too many shrewd men getting out inventions to do the work for us. They even say that up at Dundore there is a fellow getting out a patent for dehorning mosquitos successfully and another fellow working on a dirt proof fabric suitable for shirts and overalls that never need washing (another saving device) and so there are many others which I do not want to give away as they are afraid the patent might be stolen before they get them on the market.

Try Grain-O! Try Grain-O!

Ask your grocer today to show you a package of GRAIN-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. Excursion Rates to as well as from the East.

The Trans-Missouri Committee of the Western Passenger Association is holding its annual meeting at the Brown Palace Hotel. A surprise was sprung on the Committee at the morning session, by General Passenger Agent Sebastian, of the Rock Island. Beginning about 20, the Rock Island will run four excursions from Chicago, St. Louis, Kansas City and Omaha to Colorado common points, making a rate of one fare plus \$2 for the round trip and return limit of October 31st on the tickets. These excursions will be run as special excursion trains and about the same dates return excursions will be run from Denver, Colorado Springs and Pueblo to the Eastern points, the same rate prevailing, thus enabling Colorado people desiring to do so to make tourist trips East during the summer, with the same advantages granted Eastern tourists who come West.

Rest of the Soul.

Come to the land where oft the soul reposes,
 Where sunlight never sinks in fading beams;
 Drink of the stream among the scented roses,
 Life, there to thee shall be pure and free.
 Come to the land of love and joy unfeigned,
 Where friendship never breaks its tender ties;
 Join in the praise of Him who now is waiting—
 Souls to receive in His home above.
 Come to the land where sorrow cannot enter,
 Where weary pilgrims sweetly are at rest;
 And dearest friends with love, affection-tender,
 Meet one another to part no more.
 Come to the land where death no power is wielding,
 Where deepened shadows darken not the day;
 Eat of the tree whose fruit is ever yielding—
 Life to the soul in eternity.
 Come to the land where dwelleth blest Redeemer,
 Where throngs of angels ever joyful sing;
 Join round the throne in songs of praises ever,
 Life to the song in the land ever more.
 SALAMUS COLOSA.
