Fortunately the fire had not gone so far as to weaken the trestling, else the entire train with its load of human freight would have been a tale of the past.

## S. S. CONVENTION.

**A Most Successful Gathering in the United Brethren Church Port Trevorton.**

The Sabbath School Convention held in the U. B. church, commencing Friday evening, May 18, and ending Sunday evening, was a decided success, and an occasion of interest to all in attendance. The church was well filled Friday evening to hear Rev. H. S. Gable, Presiding Elder of Eastern Conference. This subject was an able discussion on I Kings 19—12.

### SATURDAY MORNING SESSION.

The convention proper opened on Saturday morning, although it was raining rapidly, quite a number were present. The exercises were opened by Presiding Elder Gable at 8:30. After the singing of several hymns and three short prayers, he made some remarks in regard to the different conventions and their interest as well as their importance. The following officers were then elected: Rev. R. S. Arndt of Mt. Carmel, chairman; Rev. H. M. Trautman, secretary; Rev. J. E. Francis, treasurer. J. M. Shaffer made the welcome address and all were made to feel at home. The response was assigned to Rev. H. M. Trautman who made an able address in behalf of the delegates. A hymn was then sung after which the subject "Lesson Help"—their use—was ably discussed by Rev. R. S. Arndt. Rev. C. S. Miller added a few very interesting remarks on the same. Rev. H. S. Gable talked very interestingly on this vital topic.

The next topic discussed was "The Need of a Broad Horizon." Rev. Charles Bauer of Sunbury read a very interesting paper on this all important topic. His words were highly appreciated by all present. Revs. H. S. Gable, Miller and Francis followed with interesting remarks.

The topic, "The Teaching Worthy of Our Time," was then taken up by Rev. H. M. Trautman. This address was interesting and full of intelligent thought in which all received instruction. Rev. C. Bauer also added appropriate remarks along the line of teaching in the Sunday school. It was then decided to hold the next convention at Sunbury.

### SATURDAY AFTERNOON SESSION.

The convention was opened at 1:30. The devotional exercises were conducted by the chairman after which the regular program was again taken up. A well prepared paper full of interest and instruction was then read by M. S. Hendricks, Superintendent of the primary department of the United Brethren church at Shamokin. This subject was "The Primary Department." In his remarks he especially emphasized the importance of the study of child nature and its surroundings. H. S. Mertz of Middleburgh also spoke interestingly on this subject.

The next topic taken up was "How to Hold that Boy." This subject was opened by Rev. B. F. Goodman of Shamokin. In his remarks he referred to several ways by which they may be held. Mr. Moyer of Clark's Grove, Shamokin Circuit, and Rev. R. S. Arndt also added ways which the boys may be held in the Sunday school. Rev. Bauer, M. S. Hendricks and Rev. J. E. Francis spoke on this most interesting topic.

The topic "Helps of Hindrances" was the opened by Rev. C. S. Miller. Rev. C. Bauer interested all present by his able talk on the subject. He referred to the hindrances D. L. Moody had and the help they were to him. A collection was then taken to defray the expense of printing programs after which the convention adjourned.

## SATURDAY EVENING SESSION.

At 7:30 the church was filled to its utmost capacity to witness the interesting "Picture Talks" by Rev. Clint S. Miller of Tower City. He did well and all were delighted.

### SUNDAY SESSION AT 9 A. M.

An experience or testimony meeting was conducted by Rev. J. W. A. Kelly of Shamokin. Rev. B. F. Goodman then preached an excellent sermon in which all were made to feel the presence of Holy Spirit. The Lord's Supper was then celebrated and many partook of the emblems of His broken body and shed blood in remembrance of His suffering and death. This was a season of refreshing on account of the presence of the Master. In the evening Rev. J. W. A. Kelly conducted the Y. P. C. U. meeting. Rev. C. S. Miller delivered an able discourse on John 1—29. Thus ended one of the most interesting gatherings ever held at this place.

## Teachers' Association.

To Teachers, Directors and Friends of Education in Pennsylvania:—I desire to call your special attention to the next meeting of the Pennsylvania State Teachers' Association, which will be held this year in the city of Williamsport, Pa., July 3d to 6th inclusive.

Every enrolled member of this association will receive a copy of the addresses and other proceedings not only of the State Teachers' Association but of the City, Borough and Township Superintendents' Convention and of the State Directors' Association, thus getting the very best thought along these different lines in the State.

I appeal to the friends of education in Pennsylvania to enroll in large numbers. There are over 26,000 teachers in the State in the public schools alone and the number of superintendents, teachers, directors and other friends of education enrolled should not be less than 10,000.

The trip to Williamsport is a pleasant one, it is an ideal place to meet—fine hotels, its citizens noted for their hospitality, elegant drives, and the excursion to Eaglesmere will be a great attraction. The program is excellent; turn out in large numbers and show your interest in the great educational association of your State.

If you find it utterly impossible to attend the meeting send your enrollment fee of \$1.00 to Prof. David S. Keck, Treasurer, Kutztown, Pa., who will promptly send you a certificate of membership.

Let me not plead in vain for our dear old Commonwealth to make this meeting a record-breaker.

JOHN A. M. PASSMORE,  
President.
