purpose which will commend itself to BE SURE your best judgment. There is money enough in this church alone to maintain such an institution handsomely and not a single member of Calvary suffer any hardship whatever. I will move into a house nearer the lower part of the town, where I can more easily reach after the people and live more among them. That is what I propose for myself. It is not because I believe the rich and the educated do not need the gospel or the church. The rich and the poor both need the life more abundantly. But I am firmly has appointed thinks in some particles are needed. If you need the states is the second state of equilibrium of community of creatment visual tell you set. No where the states is an never of excitization must name the clump's one can do must. We have the history of the community of drag," of excitination must mark the ended is est appli-mentionship of the country twentieth est appli-century. An object lesson in self de methods by state number of the ended to see, a bined with a self the second bine number of the ended by gives up fuxaries, money and ev a pleasures, this publickes a three a traction is not s me only kind that will make have a drugs used appreciation on the people. I believe in drugs used christ was ou carth he would again all for this expression of logalty to him. He would ugain say, 'So III.evise whoseever he he of you that forsaketh not all that he hath, he cannot

a my disciple." "All this is what I call on the namters of this church to do. Do I may hat you ought to abandon your towl ionses and live sumewhere else? No I can decide only for myself in a time ter of that kind, But this on h T is ay: Give ourselves in silver way to save this town inwretchedness. It is not an money is your own soul (1-1). ness of the world needs.

centred to met. Why e tandly in this church bear a some other family, interest is 7.2.1 he other, know the extension it and it as far as possible, go to it in press to is the Christian home come into matual ouch with the un-Christian-in short. ecome a natural savior to one family? There are dozens of families in this hurch that could do that. It would take money. It would take time. It would mean real self denial. It would call for all your Christian grace and courage, but what does all this church membership and church life mean if not just such sacrifice? We cannot give anything to this age of more value than our own selves. The world of sin and want and despair and disbelief is not hungering for money or mission schools or charity balls or state institutions for the relief of distress, but for live, pulsing. oving Christian men and women who each out live, warm hands, who are villing to go and give themselves, who vill abandon if necessary, if Christ als for ait, the luxuries they have ese many years enjoyed in order int the bewildered, disheartened, disintented, unhappy, sinful creatures of rth may actually learn of the love of od through the love of man. And at is the only way the world ever as learned of the love of God. Hu Paris and the anity brought that love to the heart

water supply, heating the dwelling, drains and cellars, importance of sunlight and pure air. and the care and location of barnyards and feed lots. A discussion of such objects might well be considered by most farmers' institutes. Much of our sanitation instruction is given solely from the standpoint of the town sanitarian, who can discuss improved plumbing, the arrangements and trapping of waste pipes, and the proper fixtures of the bathroom, but who would find himself entirely at a loss in advising the sanitary disposal of farm wastes. Rural sanitation is a science of itself, and one to which farm opportunions gave proceeding moded attentions. Many-of the wisfer epidemic, which being outliering and double to compress committee are proventionly and will be prevent

and he cannot get out of it. He has declined renomination time and again. and threatened to resign if elected. but the people have nominated and elected him in spite of it. He was the first mayor elected in Texas under 145 the new constitution of 1879, and hefore that he had been an alderman for a number of years. A Tonawanda (Pa.) ba

A Tonawanda (Pa.) bank employed ingenious means to stop a recent run on the institution. While several hundred depositors were in line to withdraw their money, three burrels of silver dollars were unloaded in front of the building and carried in by the pasketful. The sight of \$75,000 he ing dumped into the bank in this

wholesale manner had a reassuring effect, and the run ceased.

Nettie Dickey, a young girl of Stanton, DeL, lately returned to her home, after leading the life of a tramp for several years. During that time she chopped wood for a living. slept in empty box cars, and lived in cheap lodging houses. She visited the principal cities in the United States and is now willing to abandon her roving life and settle in Stanton.

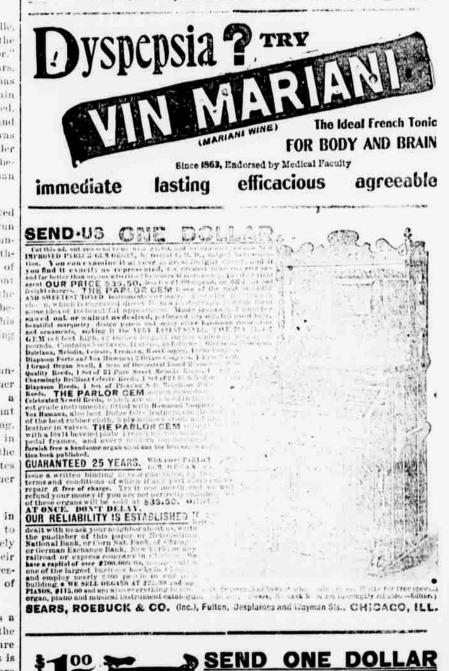

Left-handed parties are a fad in New York. Guests are requested to come with their right hand securely bound up. They must register their names, play the piano, make all geztures and eat with the assistance of the left hand.

"In nine cases out of ten," says a writer in the Washington Post, "the beauty hints in the newspapers are prepared by homely women." This is a mistake. Fully half of them are prepared by big men with bushy
