

# ROYAL BAKING POWDER

Absolutely Pure

No inferior or impure ingredients are used in Royal for the purpose of cheapening its cost; only the most highly refined and healthful.

Royal Baking Powder imparts that peculiar sweetness, flavor and delicacy noticed in the finest cake, biscuit, rolls, etc., which expert pastry cooks declare is unobtainable by the use of any other leavening agent.

Alum is used in making cheap baking powders. If you want to know the effect of alum upon the tender linings of the stomach, touch a piece to your tongue. You can raise biscuit with alum baking powder, but at what a cost to health.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

## WEAVER CHAPEL ORGAN.

### To Be Given Away to Some Church, Sunday School or Public School.

The publisher of the Post will give a handsome WEAVER CHAPEL ORGAN to some Church, Sunday school or public school in Snyder County and he asks the patrons of this paper to select the place where it shall go. The highest number of votes will determine the choice. Newspaper coupons and premium coupons will count as follows:

**NEWSPAPER COUPONS.**—The cutting coupon printed in each issue of the Post is good for one vote if filled out and sent or brought to this office.

**PREMIUM COUPONS.**—All subscribers who pay for the Post in advance will receive a Premium Coupon from this office, that entitles them to TWO votes for each month paid in advance and 25 for a full year. For a NEW Cash subscription FOUR premium coupons will be issued for each month and 50 for a full year. No coupon will be issued for less than six months subscription. Changing the name from one member of a family to another will not be considered a new subscription. For every dollar's worth of jobs printing or new advertisements that are brought or sent to this office, a premium coupon will be issued for 25 votes.

GENTLEMEN:—Our family realize so much from the use of GRAIN-O that I feel I must say a word to induce others to use it. If people are interested in their health and the welfare of their children they will use no other beverage. I used them all, but GRAIN-O I have found superior to any, for the reason that it is solid grain. Yours for health,

C. F. MYERS.

DEAR SIRS:—Some days since a package of your GRAIN O preparation was left at my office. I took it home and give it a trial, and I have to say I was very much pleased with it, as a substitute for coffee. We have always used the best Java and Mocha in our family, but I am free to say I like the GRAIN O as well as the best coffee I ever drank.

Respectfully yours,

A. C. JACKSON, M. D.
