RHEUMATISM

Is due to an acid poison which gains access to the blood through failure of the proper organs to carry off and keep the system clear of all morbid effete matter. This poison through the general circulation is deposited in the joints, muscles and nerves, causing the most intense pain. Rheumatism may attack with such suddenness and severity as to make within a few days a healthy, active person helpless and bed-ridden, with distorted limbs and shattered nerves; or it may be slow in developing, with slight wandering pains, just severe enough to make one feel uncomfortable; the tendency in such cases is to grow worse, and finally become chronic.

Like other blood diseases, Rheumatism is often inherited, and exposure to damp or cold, want of proper food, insufficient clothing, or anything calculated to impair the health, will frequently cause it to develop in early life, but more often not until middle age or later. In whatever form, whether acute or chronic, acquired or inherited, **Rheumatism is Strictly a Blood Disease**, and no liniment or other external treatment can reach the trouble. Neither do the preparations of potash and mercury, and the various mineral salts, which the doctors always prescribe, cure Rheumatism, but ruin the digestion and break down the constitution.

A remedy which builds up the general health and at the same time rids the system of the poison is the only safe and certain cure for Rheumatism. S. S. S., made of roots, herbs and larks of wonderful solvent, purifying properties, attacks the disease in the right way, and in the right place—the blood—and quickly neutralizes the acid and dissolves all poisonous deposits, stimulates and reinforces the overworked, worn-out organs, and clears the system of all unhealthy accumulations. S. S. S. cures permanently and thoroughly, and keeps the blood in a pure, healthy state.

Mr. J. O. Mallery, 123 W. 10th Street, Indianapolis, Ind., for eighteen months was so terribly afflicted with Rheumatism he was unable to feed or dress himself. Doctors said his case was hopeless. He had tried fifty-two prescriptions that friends had given him, without the slightest relief. A few bottles of S. S. S. cured him permanently, and he has never had a rheumatic pain since. This was five years ago.

We will send free our special book on Rheumatism, which should be in the hands of every sufferer from this torturing disease. Our physicians have made blood and skin diseases a life study, and will give you any information or advice wanted, so write them fully and freely about your case. We make no charge whatever for this service. Address, SWIFT SPECIFIC CO., Atlanta, Ga.

12 DEPARTMENTS IN ONE VOLUME.

A work of absorbing interest to all classes of progressive people. In quality it is unequalled, even by the great standard works of today. In quantity it contains nearly every word in common usage, and fully answers the purpose of at least three out of every four people. Worcester Dictionary has 100,000 words, Century 22,000 and Standard 30,000. These cost from \$10 to \$20 each. This 50,000 word dictionary now has had upon it more than 1,000,000 orders. A new device shows the plural forms of all the nouns. Another points out about 5,000 especially difficult words; but the greatest of all achievements in modern dictionary making is the addition of 25,000 words to this dictionary by means of a single page, called the "Columbian Word-Builder."

DEPARTMENTS. Besides the Dictionary it also contains twelve departments, as follows: 1. Abbreviations; 2. Pronouncing Dictionary; 3. Proper Names; 4. Gazetteer of the World; 5. Large Cities; 6. Parliamentary Rules; 7. Use of Forks; 8. Seal; 9. Etiquette; 10. Letter Writing; 11. Use of Capitals; 12. Punctuation; 13. Postal Guide.

It contains 192 pages, handsomely bound in imitation leather covers.
