

Royal Baking Powder

Makes
The Food
More
Healthful

Royal Baking Powder possesses peculiar qualities not found in other leavening agents, which arise from the superior fitness, purity and healthfulness of its ingredients.

Royal Baking Powder leavens the food perfectly by its own inherent power without changing or impairing any of the elements of the flour.

Thus the hot-breads, hot-rolls and muffins, and the delicious hot griddle-cakes raised by the Royal Baking Powder are wholesome and digestible, and may be eaten without distress, even by persons of delicate digestion.

Alum baking powders are low priced, as alum costs but two cents a pound; but alum is a corrosive poison and it renders the baking powder dangerous to use in food.

A Whiskered Old Trick.

From the Middleburgh Telegraph.

An old trick is being worked by the Democratic candidate for State Senator. He has employed a Democrat named L. D. Cherry, residing near Shamokin, to go over the district, and representing himself to be a Republican, makes all sorts of assertions how Brown is going to carry Northumberland county. Mr. Cherry has registered at the Cameron House, Lewisburg, this week and his hotel bill was paid by Brown. He was very noisy, but when challenged by several parties to back his assertions with cash, he laid down, for he knows Brown will not carry Northumberland county at all, but will be snowed under by at least two thousand.

Brown's Tribute to Democrats.

From the Sunbury Republican.

The Shamokin Dispatch says of Mr. Brown, "his record in the last legislature, where his voice was always heard in the cause of the people, will always be remembered by the thinking classes." As a matter of fact Mr. Brown's voice echoed through the legislative hall just once, and that was when he arose and said that he thanked God that the State had one honest member of the assembly. This was a little tough on the other Democrats in the House, but Brown is authority for the statement that they were all dishonest. Mr. Brown never introduced a bill, never made a speech on a bill and dodged voting on over half the bills acted on by the House. This is the record of this one honest man who is held up by the Dispatch as a statesman. If this district wants to be represented in the State Senate by a man who hasn't the courage of his convictions, who cannot make a speech, who showed what he was made of when he posed two years ago as a representative of the Prohibitionists of his county and a few weeks later signed a license bond. Brown would fill the bill.

Be sure to read the new story, "Malcom Kirk," now appearing in the Post.

DEAFNESS CANNOT BE CURED

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
