evated butter. (Page 2004, Leg. Record.) In addition to the above the following are a few of the balls Mr. Brown dodged, remains out of the House or sitting silent when the roll was called: Nos. 409, 505, 503, 268, 365, 289, 100, 159, 70, 105, 32, 518, 300, 41, 109, 111, 368, 399, 442, 454, 558, 53, 594, 478, 67, 176, 592, 597, 598, 126, 561, 267, 118, 113, 123, 121, 135, 79, 138, 49, 39, 16, 344, 57, 74, 91, 28, 34, 486, 491, 497, 116, 136, 162, 97, 265, 86, 754, 766, 777, 634, 784, 263, 247, 180, 181, 182, 213, 509, 143, 437, 540, 134, 800, 246, 511, 624, 806, 428, 512, 355, 245, 400, 618,

Poli, 270, 537, 288, 616, 470, 541, 338, 379. Wale Mr. Brown was present at every ression, and his voice was heard more than 70 times voting for a free trader and free silverite for United States Senator, be sat in silence when great measures were up for consideration and to be voted upon. Although the Prohibitionists and some Republicans made his election possible, not once did he compliment either party with a vote for United States Senator, aithough the opportunity was presented every day for over three months. He was for free trader and free silverite Jenks from first to last, and it must be borne in mind that the State Senator elected this fall votes for two United States Senators before the expiration of his term! Mr. Brown was the most notorious dodger of bills in the House. He has a record of dodging nearly 200 bills, which signifies either his mability to distinguish between what is beneficial or injurious legislation, or he was too cowardly to go on record. If silence is to be golden and a majority of bills are to be dodged, then the people are as well off without a representative. The halls of legislation at Harrisburg are no place for milk and water representatives.

The campaign of '96 will long be remembered as one in which men broke the bonds of party ties and life-long traditions to join with the Republican party in crushing socialism and defeat
