#### LETTER FROM FLORIDA.

from the Orange Fields.

EDITOR MIDDLEBURG POST: As many of my friends asked me | readily to treatment.

rectly by penning you a brief sketch of Snyder county a Merry Christmas and my experience since leaving Kantz in a Happy New Year, I remain with October. We stopped about a week in true allegiance to the home of my ma-Washington, D. C., with my brother- tivity. in-law, R. A. Kantz, and Mr. Burch. After gratifying my curiosities and being so pleasantly entertained, we proceeded to another brother-in-law, Mr. Birkhead, in Virginia where we passed a week very pleasantly. We then started for Tampa, Florida, where we spent the beautiful young daughter of Susan ten days in that flourishing and grow- Stroh, and Frank Swineford, the bright ing city, being royally entertained by Col. Peter O. Knight, who was born in Freeburg in old Snyder county, Pa. ceremony was performed the bride and He is one of the most successful law-Editor Albert Smith and wife of Eliz-yers in that city. He is just completing where an elegand dinner was awaiting bethville and Mrs. H. H. Hassinger one of the most magnificent residences their arrival. permanent location there. After ten days there, we started for Bartow, the county seat of Polk county, distant about 40 miles where we visited relatives of my aunt, Mrs. G. W. Hendry who was accompanying me. After a short stop there, we went to Fort Meade. 12 miles south, and visited Mrs., F. B. Harless, who spent several months with me in Pennsylvania last year, After a brief stop there, we left for this implements.

place, Fort Myers in Lee county, arriving here on the 24th of Nov., where we are pleasantly located in the centre of the town having about 550 population, It is convenient to church and Sanday school and amid the orange trees lader with ripe fruit. Besides there are grape fruit, guanas, bananas, and other tropical fruits. This is Christmas Day: the foliage of both trees and vegetation is as green as midsummer, with no signs of cold, having had neither ice nor frost up to the present. Tomatoes, Dec. 15, by Rev. E. E. Gilbert, Hen- cucumbers together with other vegery E. Troup of Catawissa to Catherine tables are growing laxuriantly. The thermometer stood 66° yesterday, but Dec. 24, by Rev. J. R. Dimm, D.D., a little cooler to-day, but has not been three inches of rainfall night before last on the order of what we call a "land rain." The Caloosahatchet River is about II miles wide here, where tishing is good most of the time. However, here like everywhere else, fish do not bite at all times just for accommodation, but in most of the small tributaries they bite any time. Here we get sheepheads, snappers and jackfish saltwater) which bite at bait, but the principal fish is the salt water mullet II. Hoffman and Amelia E. Wagner, which go in shoals by the thousands. They are eaught with seine or net as Jan. 6, by Rev. W. E. Brillbart, they live by suction and are a fine fish and shipped by the hundreds of barrels from Punta Gorda and other points. We had our usual Christmas turkey, not a wild one, but wild one can be had plentifully by going out away from the settlements. We aim to visit my uncle, D. C. Kantz, to-morrow. He lives 8 miles above here. My other uncle, Ed. P. Kantz, lives here in Fort Myers. Both are teaching school now in this county and both are from Snyder county. By the way I serted in the Post's sale register. The omitted to say that here I did my first notice will be inserted free in our sale fishing and one can imagine my surregister if the bills are printed at this prise at hanging a sand shark, 21 feet long, among my first hauls. The sharks together with the catfish are very aunoying as they steal the bait and are not eaten here except channel cat are
