National House.

ANONYMOUS LETTER INTRODUCED

It Attacks Perry S. Heath, and Despite Objections Becomes a Part of the House Record-Mr. Sulzer and the Boer Relief Fund.

Washington, Feb. 12.-Yesterday was a field day in the house, being by far the liveliest day during the present session. A very interesting debate over the constitutional limitations on the power of the senate over revenue legislation initiated by the house was precipitated when Mr. Payne, the chairman of the ways and means committee, brought in the resolution of the committee to disagree to the substitute proposed by the senate as an amendment to the war revenue reduction acand to ask for a conference with the senate. Mr. Tawney, of Minnesota championed the cause of the house and its paramount rights over revenue leg islation, but was unfortunate in no bringing forward a resolution to return the bill to the senate with the declaration that the senate had transcended its powers in substituting at entirely new measure for the bill of the

The subsequent debate showed that had this course been adopted the proposition would have commanded a large vote. Instead, however, he insisted upon a division of the resolution and after the first portion-to disagreehad been adopted he made the point of order that the second motion was no in order because the senate in its substitute had invaded the constitutional prerogative of the house. The result was that the members were not confronted with the direct issue and the house voted, 233 to 38, to ask for a conference.

Later in the day, during the consideration of the diplomatic and consular appropriation bill, an impassioned pro-Boer speech by Mr. Sulzer, of New York, drew from Mr. Mahon, of Pennsylvania, a recital of the raising of a fund of about \$1,200 for the benefit of the widows of Boer soldiers at a meeting held in this city at which Mr. Sulzer presided He declared that after the "terrapin and cold bottles got in their work" only \$18 was left for the Boer widows.

This stung Mr. Sulzer to reply at length. He said he had no connection with the expenditure of the fund, to which he had contributed \$175, and a very lively row followed, the climax of which was reached when Mr. Sulzer had read an anonymous letter which made a sensational personal attack upon Mr. Perry S. Heath, late assistant postmaster general, who was secretary of the Republican national committee during the recent campaign, charging him with being Neely's sponsor and then denying it after the arrest of Neely, and also making allegations against Mr. Heath in connection with government deposits in a New York bank. Mr. Sulzer charged Mr. Heath with being responsible for the circulation of the stories about his connection with the fund for the Boer wid-

Mr. Knox, of Massachusetts, declared that it was "contemptible" to attack a gentleman who could not reply through the medium of an anonymous letter, and moved that the infraction of the rules be reported to the house and stricken from the record. In the Mr. Sulzer declared that although the communication was anonymous he fathered every word of it and would be responsible for it as a member of the house and as an individual. The Democrats filibustered against the motion to expunge the letter from the Congressional Record and finally forced an adjournment, the effect being to permit publication of the letter in the record.

Shortly after the senate convened yesterday the naval appropriation bill was passed. The shipping bill then was taken up and kept before the senate during the remainder of the legislative day. Mr. Caffrey, Democrat, of Louisiana, occupied the floor throughout the session. Opposition senators made the point of no quorum several times and demanded a call of the senate. Finally this drew out a warning from Mr. Frye, chairman of the committee on commerce, that if senators desired a river and harbor bill to be reported at this session they would better not interrupt the committee having the measure under consideration. Even after that there was one call of the senate. Mr. Caffrey had not concluded his speech when, after having spoken for nearly six hours, he yielded

the floor for an executive session. To Smash the World's Saloons.

Muscatine, Ia., Feb. 12.-Mrs. Nation arrived here at noon yesterday and was met at the train by 4,000 people. A squad of police was on hand, and she requested them to escort her to the hotel. The crowd, however, was peaceable and quiet and evidently turned out through curiosity, for less than 500 people attended her meeting at the Grand Opera House last night. After the meeting Mrs. Nation said: "I am in the hands of the Lord and will leave for Chicago tomorrow morning. I will do no smashing in Iowa or any other state until all the hellholes in my own state (Kansas) are wiped out of existence. Then I will organize a band of women who will smash all of the salocns in the world. The United States first, Europe next."

Sudden Death of Congressman Shaw. Washington, Feb. 11 .- Representative Albert D. Shaw, of Watertown. N.
