Does It Pay To Buy Cheap?
 A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Bochee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.

A Testimonial.
 "I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory of Warrington, England. "It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." Sold by the Middleburg drug store.

I Caught a Dreadful Cold.
 Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1558 Milwaukee Ave., Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend to my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now as fitly well and feel very much pleased to acknowledge its merits." For sale by the Middleburg drug store.

An Altoona paper, speaking of the Pennsylvania railroad's abandonment of the canal, says the canal will be used in many places for roadbed for its tracks. Hear it: "The old bed has been used by the Pennsylvania at points along the Middle division, and will be the main line of the Pennsylvania through many parts of the Lewistown narrows, when the reconstruction work at that point is finally completed."

AGUINALDO A PRISONER.

Gen. Funston's Clever Strategy Lands the Filipino Chief.

FUNSTON RECEIVES HIS REWARD.

Appointed a Brigadier General in the Regular Army—Aguinaldo May Be Exiled to an Island of the Samoan Group.

Manila, March 29.—Gen. Emilio Aguinaldo, who was captured by Gen. Funston and brought to Manila on the United States gunboat Vicksburg, was brought ashore at 3:10 p. m. yesterday and taken before Gen. MacArthur at the Malacanang Palace. He talked freely, but seemed ignorant concerning recent events. He appeared to be in good health and was even cheerful. He lunched with the officers of Gen. MacArthur's staff and was then escorted to the Andra street jail.

Gen. Funston led a company of 78 Macabebes, all of whom spoke Tagalog fluently, and was accompanied by only four Americans—Capt. Russell T. Hazard, Lieut. Oliver P. M. Hazard, Capt. Harry W. Newton and Lieut. Burton J. Mitchell. The Macabebes were dressed mainly as Filipino laborers, though 20 wore the insurgent uniform. As they passed through the enemy's country it was given out that they were loyal Filipinos ordered to join Aguinaldo at Palanan, and a forged signature of Gen. Lacuna was shown. They had met and defeated a company of Americans, they said, and exhibited the five Americans as prisoners. The reputed Filipinos were presumably under command of four ex-insurgent officers, one a Spaniard, who had surrendered.

As the company entered Palanan on March 23 Aguinaldo's household troops, 50 men in neat uniforms of blue and white, and wearing straw hats, lined up to receive the newcomers. The Tagalos entered the house where Aguinaldo was met. Suddenly the Spanish officer, noticing that Aguinaldo's aide was watching the Americans suspiciously, exclaimed: "Now, Macabebes, go for them." The Macabebes opened fire, but their aim was rather ineffective, and only three insurgents were killed. The rebels returned the fire. On hearing the firing Aguinaldo, who evidently thought his men were merely celebrating the arrival of reinforcements, ran to the window and shouted: "Stop that foolishness! Quit wasting ammunition!"

Hilario Placido, one of the Tagalog officers and a former insurgent major, who was wounded in the lung by the fire of the Kansas regiment at the battle of Caloocan, threw his arms around Aguinaldo, exclaiming: "You are a prisoner of the Americans."

Col. Simeon Villa, Aguinaldo's chief of staff, Maj. Alambra and others attacked the men who were holding Aguinaldo. Placido shot Villa in the shoulder. Alambra jumped out of the window and attempted to cross the river. It is supposed that he was drowned. Five other insurgent officers fought for a few minutes and then fled.

When the firing began Gen. Funston assumed command and directed the attack on the house, personally assisting in the capture of Aguinaldo. The insurgent body guard fled, leaving 20 rifles. Santiago Barcelona, the insurgent treasurer, surrendered without resistance.

The expedition rested March 24 and then marched 16 miles the following day to Palanan bay, where Gen. Funston found the Vicksburg, which brought the expedition and the prisoner to Manila.

BRIGADIER GENERAL FUNSTON.

Kansas Gets Commission in Regular Army—Aguinaldo May Be Exiled.

Washington, April 1.—The following important army appointments were announced at the White House Saturday night: To be major general of the United States army, Brig. Gen. Lloyd Wheaton, vice Miles, promoted lieutenant general. To be brigadier general in the regular army, Brig. Gen. Frederick Funston, United States volunteers, vice Wheaton, promoted; Col. Jacob H. Smith, Seventeenth United States infantry, vice Daggett, retired.

It cannot be too emphatically stated that the administration will avoid giving the captured leader any basis for posing as a martyr. The matter of transporting him to Guam will receive serious consideration. One senator who called at the White House suggested to the president the advisability of transporting Aguinaldo to some place like Tutuila, in the Samoan group, where, it was pointed out, he could be kept at a distance from the scene of his old operations, and where he would be in a climate of which he could make no complaint. The trend of views as expressed by the cabinet indicated that ultimate transportation to some place of confinement outside of the Philippines was the course most likely to be adopted.

No Yellow Fever in Havana.

Havana, April 2.—For the first time in the history of Havana the month of April begins without a single case of yellow fever in the city. Maj. W. C. Gargas, chief sanitary officer, is confident that, with the sanitary measures now being enforced and the valuable information gained during the recent investigations of the yellow fever commission, there will be but few cases during the coming season.

HARRISBURG LETTER.

Measures That Occupy the Attention of the Lawmakers.

OUR SYSTEMS OF EDUCATION.

A Joint Resolution Which Provides For Investigation and Amendment. To Urge Election of United States Senators by Popular Vote.

Harrisburg, April 2.—A short session of the house was held last night, the order of business being original resolutions and bills on first reading. On motion of Mr. Bedford, of Philadelphia, the senate bill creating a juvenile court was sent back to committee for a public hearing.

Mr. Voorhees, of Philadelphia, offered a concurrent resolution, which was referred to the education committee, that the college and university council be authorized and empowered to make inquiry and to report to the legislature at its next session, by bill or otherwise, a plan by which existing laws can be harmonized and amended or codified so as to improve the organization, administration and management of our systems of education. The members of the council shall serve without pay, except for necessary expenses.

A concurrent resolution was offered by Mr. Wadsworth, of Philadelphia, and adopted, that a committee of two senators and three members be appointed to confer with congress and the legislatures of the various states of the Union with the object of securing such an amendment to the United States constitution as to provide for the election of United States senators by popular vote, and its expenses not to exceed \$200 a year.

Mr. Haag, of Schuylkill, offered a resolution, which was adopted, that the senate be requested to appoint a committee to confer with a like committee from the house to consider the date of final adjournment.

On Tuesday of last week the Philadelphia "ripper" bills were passed with little opposition. The vote was: Yeas, 31; nays, 12.

Among the bills reported favorably to the senate from committees was the Guffey ballot bill, with amendments.

Among the bills passed in the senate on Wednesday of last week were: Directing town councils of boroughs to fix by ordinance the number, rank, compensation and regulation of police and authorizing burgesses to appoint and control the police and to appoint all subordinate officers of the borough except treasurer, secretary and engineer; house bill establishing a separate orphans' court in Westmoreland county; house bill regulating acknowledgments by married women of deeds, mortgages and other instruments of writing required by law to be acknowledged before being recorded; repealing a supplement to the pharmacy law which requires persons holding certificates of registration or renewal certificates to keep them in some conspicuous place in their stores.

The election bill reported from committee Tuesday was made a special order for second reading for April 3 at 11 a. m.

At noon the senate held a special memorial service in honor of the late Senator C. L. Magee, of Pittsburgh.

In the house Wednesday last the bill providing that executions shall hereafter take place in the penitentiaries was defeated on final passage, 47 yeas to 40 nays.

Among bills passed finally by the house Wednesday last were: The third class city bill; repealing the act of April 11, 1866, relative to the fees of the county treasurers of Clearfield and Luzerne counties so far as it relates to Luzerne county; the McWhinney bill prohibiting the adulteration of natural fruit juice; taxing trust funds held by trust companies at the rate of two cents for each \$1,000 of such funds; providing for the clothing, maintenance and instruction of children received into the House of Refuge, one-half at the expense of the state and one-half at the expense of the county from which they came.

In committee of the whole the anthracite mine inspection bill was amended so as to fix the salary of the mine inspectors at \$3,000 annually, instead of \$1,200, and providing for the inspection of collieries every three months instead of bi-monthly, after which the bill passed third reading.

In the house on Thursday last the senate bill providing that when a city of the third class has passed or will pass into the second class the license fee for the sale of liquors in such city shall remain the same as when it was a third class city until three years after such city has entered into the second class was defeated by a vote of 76 yeas to 79 nays. The purpose of the bill is to reduce the cost of a liquor license in the city of Scranton from \$1,100 to \$500 annually.

The Kennedy factory inspection bill passed second reading after it had been amended to provide for the appointment of 27 inspectors, five of whom shall be women, and allowing the factory inspector to ascertain if boilers are in a safe condition. Under the present law there are 20 inspectors. The McClain corporation bill also passed second reading.

In the senate Thursday the Guffey ballot bill passed first reading.

Another change has been made in the senate congressional apportionment bill by the house committee. The bill as reported to the house Friday last takes Cumberland away from York and Adams, which are made a separate district, and attaches it to the Seventeenth district, composed of Snyder, Perry, Mifflin, Juniata, Huntingdon, Franklin and Fulton. As the bill passed the senate Lebanon, Dauphin and Cumberland are designated as the Nineteenth district.

On motion of Mr. Lack a special order was made for the Snyder oleo bill for second reading on Tuesday night of this week.

The Jones employers' liability bill was called up by Mr. Mayne, of Lehigh, and postponed for the present.

On motion of Mr. Patterson, of Blair, the bill providing an additional law judge for Blair county was postponed indefinitely.

The Philadelphia "ripper" bills were reported and went over for second reading this week, because they were not called.
