 "What an engaging smile Mr. Giddings has!" said Blanche to Mildred.
 "Yes, but I think he must have stolen it."

 "It is so incongruous. He is such a confirmed bachelor, you know."
 —Town Topics.

Disclaimed Responsibility.
 "When I was your age I never thought of spending as much money as you do."
 "Well, sir," the careless youth replied, "I cannot do more than offer my sympathies. It was grandfather's fault; not mine."

No Sure Things.
 "This race problem," said the thoughtful man, "is a problem in very truth."
 "That's so," replied the man whose clothes were able to speak for themselves. "No matter what systems of bettin' you follow you're bound to get thrown down some day or other."

Scott's Emulsion

of Cod Liver Oil is the mean of life, and enjoyment of life thousands: men women and children.

When appetite fails, it retards it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food, but what is the use of food when you hate it, and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

If you have not tried it, send for a sample, its agreeable taste will surprise you.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all drug gists in the world. Get Green's Prize Almanac.

Pessimists.
 "What is these here pessimists?" asked Mrs. Jason, pausing in her reading to polish her glasses.
 "Near's I kin figger 'em out," answered Mr. Jason, as he squinted down the side of the ax handle he was scraping with a bit of glass—"near's I kin make out, they're divided among fellers that has had too much to eat and them that hasn't had enough."
 —Indianapolis Press.

Not Like a Woman.
 "I want to return this dog to the gent that owns him. I seen his 'ad' in the paper," said a rough-looking man at the door.
 "How do you guess it was a 'gent' that put the 'ad' in?" asked the woman.
 "'Cause it said: 'No questions asked.'"

In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies, but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me, that it is the best remedy for muscular rheumatism in the market." For sale by the Middleburg drug store.
