ABANDONMENT OF THE CANAL.—The days of the Penna. canal are now numbered and soon the famous old waterway will be abandoned forever. Manufacturers and others who have been using the water have been notified to look elsewhere for their supply. The canal, which was built by the State, came in possession of the P. R. R. Company by purchase in 1859. The Penna. canal and its branches consists of 144 miles of navigable canal, with a width of water line of 52 feet, extending from Columbia, Lancaster County, to Northumberland, thence to Luzerne County, and from Northumberland to Loyal Lock, near Williamsport. General Isaac J. Wistar is president of the company, and Thomas T. Wireman of Harrisburg is its chief engineer. It is a model of canal navigation in its construction, and all of its appliances, and in the maintenance of its sixty locks (overcoming 277 feet in elevation) 99 houses for employes, 73 wasteways and overflows covering 7,322 feet of surface, 309 bridges, 71 culverts, five dams across large streams, 33 aqueducts comprising 3,832 feet of superstructure, 193 canal boats, 9 lumber boats, all involving a watchful care and zealous supervision. Although the traffic on the canal has not yielded any profits to its owners for some years, it is nevertheless a worthy monument of the once famous line of Penna. system of internal improvements which formed a memorable part in the history of the Commonwealth.

Savilla E. Gift, daughter of Benneville and Polly Thomas was born March 29, 1848, and died April 16, 1901 aged 53 years and 18 days. She was a member of a family of ten; five preceded her to the Spirit world and 3 brothers and 2 sisters remain to mourn her loss. She was married to Austin Gift Jan. 7, 1868 by Rev. Shindel. The union was blessed with nine children, Sallie J. who died at the age of 17 years; Mary J., married to John Sterner, Sunbury; R. Wilson, married to Irene Dobson, Bloomsburg; Franklin C., Lottie I., Maude A., Anna N., Roswell A. and Clark T. residing at home. Interment took place at Paxtonville Friday at 1 p. m. Rev. J. Shambach officiated. Text St. John 11:25. Through

departure of Mrs. Gift the city has lost a kind neighbor and a faithful christian woman. She was loved and respected by all who lived here for a number of years. Many were the kind deeds which she did for her neighbors. Any assistance requested of her at any time was quickly and cheerfully responded to. In being the mother of children her attitude toward them may be considered almost above par, for the height of her ambition always was to instruct them in such a manner that they might grow up to become men and women, whose excellence of character could not be excelled. She suffered considerably from the effects of her disease for about two years, but through all her stages of suffering she always seemed to view the sunny side of life for her visitors were always welcomed with pleasant smiles. So, she quietly passed away from earth and now will find herself in a foreign land, where she will have the pleasure of wearing that laurel wreath won here on earth. Just a few moments before her death there was a look of ease about her whole appearance and there was a smile of pleasure and satisfaction on her face as though she had done well and had deserved her honors.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies, but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me, that it is the best remedy for muscular rheumatism in the market." For sale by the Middleburg drug store.
