Consumption

is, by no means, the dreadful disease it is thought to be—in the beginning.

It can always be stopped—in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home.

Take Scott's Emulsion of Cod Liver Oil, and live carefully every way.

This is sound doctrine, whatever you may think or be told; and, if heeded, will save life.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

SCOTT'S EMULSION. Chemists, 409 Pearl Street, New York. 50c. and \$1.00; all druggists.

The Lamp of Steady Habits

The lamp that doesn't flare up or smoke, or cause you to use bad language; the lamp that looks good when you get it and stay a good; the lamp that you never will fight with, once you have it; that's

The New Rochester.

Other lamps may be offered you as "just as good"—they may be, in some respects, but for all around goodness, there's only one. The New Rochester. To make sure the lamp offered you is genuine, look for the name on it; every lamp has it. (300 Varieties.)

Old Lamps Made New.

We can fill every lamp want. No matter whether you want a new lamp or stove, an old one repaired or refinished, a vase mounted or other make of lamp transformed into a New Rochester, we can do it. Let us send you literature on the subject.

We are SPECIALISTS in the treatment of diseases of Lamps. Consultation FREE.

Beware of a Cough.

A cough is not a disease but a symptom consumption and bronchitis which are the most dangerous and fatal diseases have for their first indication a persistent cough, and if properly treated as soon as this cough appears are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful and gained its wide reputation and extensive sale by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale by the Middleburg drug store.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.

Pure whiskey and poor whiskey sound a great deal alike, but they are really very different, one is beneficial, the other is harmful. We cannot understand why anybody will buy poor whiskey when pure whiskey can be had direct from an old reliable company like The Hayer Distilling Co. and at a lower price. See offer elsewhere in this issue.
