TEN MILLION DOLLARS

Presented by Andrew Carnegie to Four Scotch Universities.

TO BENEFIT SCOTCHMEN ONLY. The Donor Stipulates That Neither English, Irish, Colonial or Foreigners Shall Become Beneficiaries Under His Princely Gift.

London, May 21.—Andrew Carnegie has given £2,000,000 to establish free education in four Scotch universities, Edinburgh, Glasgow, Aberdeen and St. Andrews. He stipulates that the beneficiaries be his "Scottish fellow countrymen" only, no English, Irish, colonial or foreigners. The fund will apply to medical as well as to commercial education, and will be placed in the hands of trustees, who will pay the expenses of Scottish students benefitted under the scheme.

A meeting was held in London Saturday to consider Mr. Carnegie's gift. Among those present were Lord Elgin, Thomas Shaw, M. P., Mr. A. J. Balfour, Sir Henry Campbell Bannerman, Mr. John Morley, Mr. James Bryce and others. The matter was discussed at length, but no conclusion was arrived at as to the best methods of administering the gift.

Mr. Carnegie desires that all Scotchmen and Scotchwomen shall enter the universities on an equal footing, hence the money is not given to the students to pay their fees, but to the universities themselves. The system is made perfectly free, and will probably be under government auspices.

According to the educational authorities the administration of Mr. Carnegie's gift present considerable difficulties, and for this reason the Scotch papers, for the present, are rather lukewarm in the gift. In the month, while the English press is inclined to cavil at the method of Mr. Carnegie's munificence.

The leading Scotch paper, the Edinburgh Scotsman, says editorially that Mr. Carnegie's offer is "disconcerting from its very magnificence," and proceeds to show the gift might disorganize the whole educational system. It points out that the fees which students pay are only a small part of the cost of educating them, the remainder being supplied by endowments, and that, if Mr. Carnegie's project were to bring an increase of students, the universities would be compelled to appeal to the public for further funds. Then, if university education is free, the country will soon be asked, The Scotsman contends, to make secondary education free also. In conclusion it asserts that "acceptance of the offer demands the most careful consideration, although it is an offer which Scotland cannot afford to decline without the best of good reasons."

The London papers reflect these difficulties, while expressing admiration and gratitude. "It is obvious," says The Times, "that this splendid gift cannot leave Scotch education as it was before. Cambridge has not been lucky enough to be associated by birth or otherwise with a transatlantic millionaire, but nobody south of the Tweed will envy the Scotch universities, if we can only be sure that Mr. Carnegie's generous donation will be well applied and administered in the best interests of education. Splendid as the promised gift may appear, it ought not to be allowed to pauperize the whole system of university education in Scotland."

The Daily Telegraph says: "Crosses was commonplace compared with Mr. Carnegie. It requires little insight into one of the deepest characteristics of Scotch life to realize that this is precisely an act calculated above all others to make the name of Carnegie as permanent as that of John Knox himself."

THE DEATH OF FATHER PHILLIPS

Heartless the Result of "Dr." Stanley's Heroic Treatment For Rheumatism.

New York, May 20.—Friends of Father Phillips, the miners' friend, of Hackett, who was found dead in the rooms of "Dr." Kirk Stanley, No. 730 Ninth avenue, late last Thursday night, say he was not murdered. Dr. Dougherty, a nephew of the priest, says Father Phillips was undoubtedly killed by Stanley's heroic treatment for the cure of rheumatism. Stanley is in jail.

The only enemy that Father Phillips had in the world, so far as is known, was his appetite for strong drink, and in satisfying this appetite he met his death in a strange city, away from home and from friends, and with none to administer the last rites of the church he had served long and well. So far there is nothing to indicate that Father Phillips was murdered, and there is nothing except the vapors of one drug-deadened brain to suggest that the companions of the priest's last hours were Magdalenes. Stories were afloat yesterday afternoon to the effect that the priest died while passing an evening with two women of the pavement whose acquaintance he had chanced to make. It will be a satisfaction to his family, his parishioners, and his friends to know that there is no justification for these stories.

ENCOURAGING REPORTS

Reach the Striking Machinists From Many Sections.

FEW RAILROAD MACHINISTS OUT.

The Men of the Big Carrying Companies As a Rule Are Not Involved. Work in Private Establishments to Be Adjusted First.

Washington, May 21.—Approximately 50,000 machinists throughout the country struck yesterday for a nine hour day, a scale of wages equal to the present ten hour per day scale and other demands. This is the rough estimate of President O'Connell, of the National Association of Machinists, based on the telegraphic advices that have reached him from the machinists' headquarters in the various cities. The strike thus far has not extended to the allied trades, save in one or two instances, as at Scranton, Pa., where men in a part of the allied trades are out. No machinists engaged in government work are affected. This is due to the fact that on such work an eight hour day scale already prevails.

Railroad machinists as a rule are not involved in the strike, though the men on several roads are out. The Central Vermont shop machinists at St. Albans, numbering probably 200, have struck. The Lehigh Valley railroad machinists at Buffalo, Sayre, Wilkesbarre and Elmira are out, aggregating about 500 all told. The Delaware, Lackawanna and Western men at Buffalo, Scranton, Wilkesbarre and intermediate points are out. The Gulf, Colorado and Santa Fe men also are out. The strike order, however, does not apply to the railroads generally.

It is explained at headquarters that there is no competition between the railroads and private work, and that work among the private establishments is to be adjusted first.

The situation was summarized by President O'Connell in the following statement:

"From the present indications and the statements issuing from headquarters at the various points the orders are being generally obeyed and in larger numbers than was anticipated. In certain cases where only a few hundred were expected to be involved the indications are that the number will be increased 50 per cent. The number of firms signing indicates that in localities where the agreements are being made the strike will not last over a few days. In other localities, where a larger number of men are being involved, I look forward to an adjustment being reached within the present week."

Mr. O'Connell said last night that up to 5 o'clock reports showed that 904 firms, employing approximately 30,000 men, had signed the agreements for the nine hour day or made satisfactory arrangements with the local organizations.

Following is a statement of the number of men out at important points: Hartford, Conn., 1,000; Ansonia and Derby, Conn., 500; Hamilton, O., 1,000; Buffalo, 1,200; Scranton, 2,500; Cincinnati, completely tied up and 3,000 men out; Connorsville, Ind., 200; Palestine, Tex., 200; York, Pa., 300; East Orange, N. J., 300; Oswego, N. Y., 300; Norfolk, Va., all shops out, 500 men; San Francisco, 6,500.

Telegraphic reports to Mr. O'Connell show the following as the number of firms which signed the agreements yesterday: Kenosha, Wis., all; Milwaukee, Wis., 5; Wilmington, Del., 2; Toledo, 15; Auburn, N. Y., all; Anacosta, Mont., all; Denver, all; St. Louis, all; New Orleans, all; Danbury, Conn., all; Pittsburg, 99 per cent; Franklin, Pa., all; Youngstown, O., all; Cleveland, 15; Rochester, N. Y., 90 per cent; Buffalo, 50 per cent; Niagara Falls, all; Tonawanda, all; Trenton, N. J., 75 per cent; Baltimore, 11; Philadelphia, 25; New Haven, 8. These establishments having conceded the demands their men are at work as usual.

Mother Poisoned Two Children.

St. Louis, Mich., May 21.—Mrs. Elmer Quimby, wife of a farmer living five miles south of this city, on Sunday night gave her two children, a boy aged 7 and a girl aged 9, large doses of morphine, and both children died early yesterday. Mrs. Quimby, then took 18 grains of the drug herself, but the dose was so heavy it acted as an emetic, and she will recover. Family trouble is said to have induced the woman to commit the crime. She is under arrest.

The Boers Still Active.

Cape Town, May 21.—Eight hundred Boers have crossed the Orange river from the northwest and have reinforced the commandoes in the eastern districts. The latest reliable report locates De Wet near Philippolis, in Orange River colony, and not far from the Cape line, with 40 horsemen. All the commandoes in the Orange River colony have instructions to cross the Orange river. Several British patrols have been ambushed.

WOMAN CONFESSES MURDER.

Mrs. Bonine Says She Killed Ayres in Defending Her Honor.

Washington, May 20.—The mystery attending the killing of James Seymour Ayres, a census office clerk, in the Kenmore hotel, early last Wednesday morning, and which because of the peculiar circumstances surrounding it has aroused Washington more than any tragedy in several years, was solved yesterday by a voluntary confession from Mrs. Lulu I. Bonine, a married woman, and a guest at the house, that she had fired the three shots which ended Ayres' life. Mrs. Bonine, whose husband is a drummer for the wholesale drug house of Dewitt & Co., of Chicago, explained her presence in Ayres' room at 2 o'clock in the morning by saying that he had come to her room complaining of a chill and asking for medicine, and had induced her to follow him to his room to talk over some matters of difference there had been between them.

She said that she dressed herself in a wrapper and went to his room. He had preceded her, and when she opened the door and walked in he quickly closed it and informed her he had enticed her to the room for his own purposes and said if she did not submit to his wishes he would kill her. Ayres, she said, was undressed, and had a revolver in his hand and in a struggle for its possession it was discharged three different times, the shots striking Ayres at each discharge, the last one proving fatal.

Charged With Embezzlement.

Kansas City, May 21.—Frank Siegel, late president of the Siegel-Sanders Live Stock company, was arrested yesterday, charged with embezzling \$5,000. He was released on a \$2,000 bond. Frank Rockefeller, who owns a controlling interest in the stock of the company, last week filed a suit in the circuit court here, which resulted in the appointment of a receiver. In his petition Mr. Rockefeller alleged that the company had suffered a loss of \$100,000 as the result of Siegel's speculations and mismanagement of the company's affairs.

Vice Moderator Presbyterian Assembly

Philadelphia, May 21.—Routine matters occupied the attention of the commissioners to the Presbyterian general assembly during the greater portion of yesterday's sessions. During the afternoon session Moderator Minton announced the appointment of Robert Pitcairn, of Pittsburg, as vice moderator. A resolution was adopted deprecating the action of the directors of the Pan-American exposition in opening the gates on Sunday, and earnestly urging the closing of the exposition on that day.
