SYSTEMIC CATARRH

Peruna Cures Catarrh Wherever Located.

Miss Mattle L. Guild, of Chicago, Iti.

Miss Mattie L. Guild, President Illinois Young People's Christian Temperance Union, in a recent letter from Chicago, Ill., says:

"I doubt if Peruna has a rival in all the remedies recommended to-day for catarrh of the system. A remedy that will cure catarrh of the stomach will cure the same condition of the mucous membrane anywhere. I have found it the best remedy I have ever tried for catarrh, and believing it worthy my

endorsement I gladly accord it." Catarrh of the abdominal organs is very much more common in summer than in winter time. This form of catarrh might be appropriately classed as

summer catarrh. Peruna will cure catarrh wherever located. In pelvic catarrh it has won well deserved renown. Peruna will cure any case of diarrhoa, acute or chronic. Peruna is an absolute specific for dysentery. Peruna cures cutarrh of the liver. Peruna cures catarrh of the

stomach. Address The Peruns Medicine Co., Columbus, O., for a free book entitled "Summer Catarrh."
