## CAMP A BLAZE OF GLORY

Cleveland's Streets Filled With the Veteran Boys in Blue.

Cleveland, O., Sept. 10.—This city last night was a blaze of glory, a crystallization of all the living memories of the stirring days of 1861-65, memories to which but a mere fraction of the present population is personally familiar. The aged feet that once trod the bloody fields of Shiloh at Gettysburg and of a hundred other hard-fought battles, surged around Monumental Square, located in the business heart of the city, with slow but steady tread. The centre of the scene was the soldiers' and sailors' monument, which stands in the centre of the park, in mute and silent sympathy with the living veterans, to the great majority of whom it must soon speak as to those who have already passed away.

Tall and sturdy as though the snows of over 70 winters had not sifted their powder into his scanty locks, standing erect upon his crutches, General Sickles strode into National G. A. R. headquarters. Lifting his cap to General Leo Reassier and the other dignitaries, he bowed and exclaimed:

"Comrades, let us thank God for the news from Buffalo. The Lord has heard the uplifted prayer of the civilized and uncivilized world. Christian, Mohammedan, Chinese, and all people have united with us in prayer that McKinley might be spared to us. That prayer is answered. Blessed be the name of the Lord who preserves that great personality to us."

Then, dropping his impressive manner, the general added: "I'll back McKinley's luck every time. The God of battles stood by him during the war. The God of good fortune has remained with him ever since. He cannot die at this time and under such circumstances."

## ENGLAND'S FRIENDSHIP

Minister Francis Says Britain's Sympathy is a National Emotion.

London, Sept. 9.—Genuine relief pervades England this morning over the encouraging reports regarding President McKinley's condition and the prospect of his recovery. His personality continues to absorb the country's sympathy and interest. Were King Edward lying wounded popular feeling could scarcely be stronger or deeper. Prayers for the recovery of Mr. McKinley were offered up in hundreds of British churches yesterday, notably in St. Paul's, Westminster Abbey and Canterbury Cathedral.

Charles Spencer Francis, United States minister to Greece, who is stopping here en route for his post, said:

"I have been a frequent visitor to England for many years, but I have never seen anything like the general sympathy now being evinced towards the President, and it comes from the heart. It is a national emotion and is unprecedented, being greater than has ever been shown over any event except, perhaps, the death of Queen Victoria. Every one talks it—your hotel waiter, elevator boy and proprietor. Everywhere you go McKinley's name is on the people's lips, coupled with deeply sympathetic references. The intensity of this broadspread feeling is marvelous, and bears witness to a friendship the depth of which I scarcely realized."

## REFUSED TO CANCEL SPEECHES

Chairman Dick Will Not Acquiesce in Chairman Daugherty's Suggestion.

Columbus, O., Sept. 10.—Chairman M. A. Daugherty, of the Democratic state executive committee, yesterday addressed a letter to Chairman Charles Dick, of the Republican state committee, suggesting that, as an evidence of respect to the President, all political speeches for the campaign in Ohio be canceled, adding that a similar arrangement had been made at the time Garfield was assassinated. Last night Chairman Dick replied to Chairman Daugherty, refusing to acquiesce in his suggestion, and calling attention to the fact that while a similar arrangement had been proposed at the time of Garfield's assassination it had not been accepted by the Republican state committee.

## POPULIST VILLIFIER PUNISHED

Nebraska Church Congregation Postponed Service to Souse Him.

Omaha, Neb., Sept. 9.—The congregation of the Presbyterian Church of Fairmount, Neb., postponed its services yesterday until it had administered punishment to a villifier of President McKinley. A Populist of the radical type expressed his view on the church veranda that McKinley had reaped the legitimate fruits of his encouragement of trusts and the money power. A crowd of young men thereupon ducked him into a neighboring pond and then rode him on a rail out into the country. He was dumped into a thicket and warned not to return. When the vigilantes had returned from their task services were begun, more than an hour later than usual.

## To Reward Parker's Prompt Action.

Washington, Sept. 10.—A suggestion was thrown out in the executive departments yesterday that it would be proper for the American people to do something for the colored man Parker, whose prompt action probably saved the President's life. The would-be assassin himself complained that it was the stunning blow delivered upon him by Parker that prevented him from firing another shot.

## Anarchists Celebrate Assassination.

McKeesport, Pa., Sept. 9.—Two hundred Italian Anarchists celebrated President McKinley's assassination yesterday at Guffey Hollow, a mining hamlet across Younghoezy river from Buena Vista. Beer, whiskey, speeches, songs and praises for Czolgozas were the order of the day.

## Something to Remember

When a cough or cold is long neglected consumption almost invariably follows. Remember **McKee's** Syrup only costs 25 cents a bottle, and yet has proven in many thousand cases an absolute safe cure for coughs, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Head the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

## A Pitiable Night

What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are gnawing at their little lives were removed, which is easily effected with **McKee's** Worm Syrup, so nice to take that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

## The Secret of Good Health

The secret of good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver, active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

## Goose's Quick Relief

## Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Holloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery, I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by Middleburg Drug Co.
