MISS LUCY ANNIE HEISER, OF MINNEAPOLIS, MINN.

Miss Lucy Annie Heiser, a graduated nurse of nine years' experience, trained and graduated from the Homeopathic Hospital of Minneapolis, Minn., writes as follows:  
Albert Lea, Minn., Nov. 8, 1899.  
The Peruna Medicine Co., Columbus, Ohio:  
Gentlemen—Although my school does not believe in patent medicines, I have found it to be a fact that Peruna is a grand and valuable medicine. I have known it to cure Mrs. Sampson, suffering with an inflamed womb, aggravated by malaria, after the doctors had failed to help her. Another of my former patients suffered with a complication of female diseases; she was so thin, nothing but skin and bones, but Peruna cured her and she is to-day in good health and good flesh. Facts prove that Peruna revives lost strength and restores to the sick that most wonderful blessing of life.—health.  
Lucy Annie Heiser.  
From Mrs. Amanda Shumaker, who has charge of the Grammar Department

of the Public Schools, of Columbia City, Wash., also Past Grand of Independent Order of Good Templars. Dr. Hatman received the following letter:

COLUMBIA CITY, WASH.  
"I can speak only good words of the repeated benefits I have had from the use of Peruna."

"Too constant application to work last winter caused me to have severe head and backache and dragging pains. I could not stop my work, neither was I fit to go on. Reading of the beneficial results from the use of Peruna I purchased a bottle and within a few days after using it, began to feel better."

"I constantly improved and before the seventh bottle was completely used, all pains were gone, my strength was restored, and I now seem ten years' younger."

"If I get tired or feel bad, Peruna at once helps me, and I feel you deserve praise for placing such a conscientious medicine before a suffering public."

Mrs. Amanda Shumaker.  
Mattie B. Curtis, Secretary Legion of Loyal Women, Hotel Salem, Boston, Mass., writes:

"I suffered for over a year with general weakness and debility, manifested especially in severe backache and headache."  
"My physician prescribed different medicines, none of which seemed to help me any until a club associate advised me to try Peruna, as it cured her of constitutional headache and stomach troubles. I at once ordered a bottle and before it was used, felt greatly improved."

"I have taken four bottles and for two months have been entirely free from these maladies. Several of my friends are using Peruna with beneficial results, especially in cases of troubles with the kidneys and other pelvic organs, together with weaknesses peculiar to women."

Peruna is a specific for the catarrhal derangements of women. Address The Peruna Medicine Co., Columbus, Ohio, for free book on catarrh written by Dr. S. B. Hartman.
