

A SENSATIONAL RECOVERY.

A Venerable Wisconsin Lady Restored to Health by Peruna After Twenty-five Years' Suffering.

[Special news from Evansville, Wis.]

EVANSVILLE, WIS.—A woman cured of catarrh of twenty-five years' standing was the occasion of Peruna being introduced to the inhabitants of Evansville, Wis. From that time to this there has been a great demand for Peruna in this vicinity and hundreds of cases have been cured.

It is in this manner that Peruna spreads from town to town and from state to state. No sort of advertising could have given Peruna the reputation it has. The secret of its success is that it makes cures. It cures old cases of catarrh where other remedies have failed. This ought to make any remedy popular.

Mr. C. R. Harden, of Evansville, Wis., writes the following letter:

Dear Doctor Hartman—"I wish to write to certify what Peruna has done for me. I read of Peruna in the papers, of what it would do for catarrh, and sent for a bottle. This was the first bottle of Peruna that ever came to Evans-

ville; from my using it all three of the druggists now keep it.

"It cured my wife of catarrh with which she had been troubled for more than twenty-five years, and I had been troubled with it for fifteen years. We are now both all right."

"My youngest son had a grippe four years ago, and as he had supposed had got well, or so far recovered that he went to work. He took a relapse and the pneumonia set in. He had hemorrhages, and though we tried everything we could think of it was to no purpose until we gave him Peruna. The hemorrhages stopped, and he soon got up and is well and hard at work. We think there is nothing like Peruna."

In a recent letter Mr. Harden writes: "We keep Peruna always in the house, as it cured us both of catarrh of long

standing. We have callers every little while to inquire as to what Peruna has done for us. I say: 'Look at us. That is proof enough.'"

"I send you a picture of my residence. I helped build a house in Iowa City on the first of last June, and worked eighty-two days, only losing one-quarter of a day during the whole time. How is that for an old man 77 years old? I came home in September and have built another house out in the country this fall and am well and hearty to-day."

"I hope to live twenty years yet, and if Peruna helps me in the future as it has in the past, I don't know why I can't. The druggists say Peruna is one of the best selling medicines they have in stock."—C. R. HARDEN.

Peruna can be relied upon to cure slight colds and coughs and other catarrhal ailments with a promptness that is unequalled by any other remedy.

If a cold has settled in any portion of the body and produced catarrh, it is generally thought by people that they must suffer on year after year without any hope of cure. This is not true, however, Peruna cures such cases. Thousands of testimonials that can never be used attest this fact.

Any one wishing free literature on this subject should address Dr. Hartman, Columbus, Ohio.

Startling Statements from Kentucky, Illinois and New Hampshire of Other Remarkable Recoveries.

WILLARD, KY.—The news of the recovery of Mrs. Elizabeth Prater is a very striking instance of the wonderful curative powers of Peruna. This estimable lady had been an invalid from catarrh of the stomach and bowels for twenty years. No wonder her many friends are enthusiastic over her recovery. She writes: "It is through the mercies of God and your medicine that I am permitted to write you this letter. I have been a constant sufferer from bowel and stomach trouble for about twenty-five years, and could never find relief until I began the use of Peruna. I think it is a God-send to poor suffering humanity."—Mrs. Elizabeth Prater.

ELGIN, ILL.—In a very recent communication from this place comes the news that Mr. Arthur Ernest Kidd, a well-known architect of that city, has made complete recovery from catarrh of the head from which he had suffered for nearly a quarter of a century. He writes the following from 18 Hamilton ave.:

"I am 42 years of age, and have had catarrh of the head for over half of my life.

"I read of Peruna, and finally decided to try it two months ago. I have now taken seven bottles, and weigh 172 pounds. Never felt happier or merrier. Feel fit top."—A. E. Kidd.

MANCHESTER, N. H.—According to late advices, Miss Blanche L. Rundlett has made a complete recovery from catarrh of the head which had caused a chronic running from the ears. Her own statement of the case is as follows:

"I have suffered for several years with catarrh of the head. It finally reached my ear, and caused a running ear. Having read of Dr. Hartman's remedies I immediately wrote, and he advised me. To-day I am in better health than I have been for some time. I will gladly recommend Peruna for all catarrhal diseases."—Miss Blanche L. Rundlett.

Colds

"I had a terrible cold and could hardly breathe. I then tried Ayer's Cherry Pectoral and it gave me immediate relief."
W. C. Layton, Sidell, Ill.

How will your cough be tonight? Worse, probably. For it's first a cold, then a cough, then bronchitis or pneumonia, and at last consumption. Coughs always tend downward. Stop this downward tendency by taking Ayer's Cherry Pectoral.

Three sizes: 25c. enough for an ordinary cold; 50c. just right for bronchitis, hoarseness, hard colds, etc.; \$1. most economical for chronic cases and to keep on hand.
