A GREAT SINGER'S NARROW ESCAPE.

His Voice Was About Lost—Physicians Failed—Peruna as a Last Resort Brought Back Health and Strength.

PROF. FRITZ VOLLMER, PRESIDENT OF THE SCHWAEBISCHER SÄNGERBUND OF CHICAGO, ILLS., SAVED FROM ENTIRE LOSS OF VOICE BY PERUNA.

MANY PEOPLE can tolerate slight catarrhal affections. But this is not true of the public speaker or singer. His voice must always be clear, lungs perfect, digestion undisturbed. Hence the popularity of Peruna among the leading professional men and women of the country.

Fritz Vollmer, President Schwaebischer Sängerbund, Chicago, in a recent letter to The Peruna Medicine Co., says:

"I was greatly troubled for weeks with throat trouble which the doctors defined as catarrh, but could only give me temporary relief.

"My voice was badly affected and I was afraid I would lose it entirely. I read of some of the wonderful things your Peruna would do and thought it advisable to try some myself.

"I am pleased to state that in a very short time I was cured."

FRITZ VOLLMER.
