Letter to Geo. M. Shindel, MIDDLEBURGH, PA.

Dear Sir: Some think we take a good deal of risk in inviting complaints of Devoe lead and zinc—we authorize our agent to sell it under this guarantee: "If you have any fault to find with this paint, either now in putting it on, or hereafter in the wear, tell your dealer about it."

"We authorize him to do what is right at our expense."

The following story tells how little the risk is:

J. H. Asher & Co., hardware dealers, Rhinebeck, N. Y., have sold Devoe from '76 to now, and have had just one complaint in all this time.

Three sides of a house were perfect; the fourth was as bad as the three were good.

Explanation.—It rained the night before the 4th side was painted; and the painters did not wait for the wood to dry.

What is done in such a case? Whatever the dealer, who sold the paint, considers it fair to do. We leave it to him. He may not do exactly what we should do if we were there; but we are not there. The best we can do is to leave it to him. Yours truly,

F. W. DEVOE & Co.

TEACHERS' INSTITUTE.

The 4th Annual Convention of Snyder County in Session Last Week.

(Continued from last week.)

TUESDAY AFTERNOON.

Called to order by the President and announced the committee from Snyder county to arrange the program for the joint institute of Snyder and Juniata counties to be held on the third Friday and Saturday in January, the committee from Snyder county being P. G. Shelly, H. S. Hornberger and A. L. Whitely.

Music, "Star Spangled Banner," "Help it on." The closing address by Prof. R. M. McNeal on "Personal Elements in Teaching." A very able, instructive and interesting talk of thirty minutes was given by the professor. We must associate with that class of people like whom we would like to be. No matter with whom we associate, we will become more or less like them. We must do all we can to make those with whom we associate better by our having been with them. We must get into the lives of our pupils, and learn their ambitions, desires and inclinations. Some parents do not know their own children. We should give special attention to individuality, and especially to the seemingly dull pupils. A teacher should never neglect to offer encouragement to his pupils. Be so-far-able with them outside of the school-room. Music, "America." Mrs. Noss: "Art in the Public School." Teach your boys and girls to rise and sing "National Airs." Gather pictures of interest, mount them, and use them in the school room. Progress is being made in art teaching in our public schools. Recess of ten minutes.

Music, "My Old Kentucky Home," "Bobolink Bob."—Prof. Heydrick, on "Novels, Wise and Otherwise." For variety's sake he first recites well a selection from Whitcomb Riley, entitled, "Old John Henry."

There are three classes of novels. Few novels are wise, the rest are otherwise. We should not read novels that tend to degrade the reader. Read no sensational novels. Old novels written by good old writers are best to read. Never read too many novels whether good or bad; they will weaken your mind.

Hon. Fred Ickler gave an interesting and inspiring talk of about ten minutes. Adjourned.

TUESDAY EVENING.

Hon. Fred Ickler of Bloomsburg gave a very interesting lecture on "Agitators." Mr. Ickler is one of the young men on the lecture platform and has laid the foundation for a successful career. He is a brilliant attorney and was an able representative in the State Legislature. He has been spoken of as a possible nominee of the Democratic party for Governor. His lecture teemed with wisdom, oratory and classical lore. His diction and command of language is boundless. He closed his address with a remarkable display of elocutionary ability on the Battle of Winchester. A brilliant future awaits this young orator.

WEDNESDAY MORNING.

Music, "Holy! Holy! Holy!" Devotional exercises by Rev. Shambaugh, Music, "Onward Christians, Soldiers and Jolly Boys." Reading of the report, by that committee, on Local Institutes. On motion adopted as read. Music, "Help it On."

Prof. Heydricks—"School Libraries." There is a very wide field to do missionary work along this line, since there are but three libraries in schools in our county. We need more libraries. Next: Composition work. Teachers should begin to teach pupils to write sentences at once after they enter the schoolroom, then the writing of composition. Music "The Old Bell." "Help it On." Mrs. Noss: "Home Geography." A very brilliant and instructive talk was given. Recess of ten minutes.

Music, "Battle Hymn of the Republic," "Three Sailors," "The Concert of the Crows," "Song of the Blacksmith."

Supt. D. A. Harman, of Hazleton, spoke on "Pedagogic Principles." A very practical and able lecture was given. Have love in your work and the proper spirit and that will help you on your noble way. "America."

WEDNESDAY AFTERNOON.

Music, "Let a Little Sunshine In," "The Old Bell." On motion, resolved that we adopt "Thinking and Learning how to think," edited by Dr. Nathan C. Schaeffer, and to be read by all teachers throughout the county during the present term of school. Motion carried. Music, "The Old Kentucky Home." Closing address by Mrs. Noss—"Alaska and the Yukon."—Alaska means "Large Continent." No one person has seen all of Alaska. Southern Alaska has a delightful climate. Mt. McKinley is given as the highest mountain in America, 20,000 feet high. The greatest salmon fisheries in the world are in Alaska. You can catch anything from a minnow to a whale when you go fishing in Alaska. Music—"Jolly Boys," "The Old Open Bucket."

Supt. D. A. Harman, on "Some Pedagogic Principles." Have children to grow naturally in school as well as out of school. A very useful, interesting and wholesome talk to the teachers. Music, "Love's Old Sweet Song." Recess for 5 minutes. Music, "Silently the Shades of Evening." Closing address by Prof. Heydrick on "Dialects of Poetry"—Recites a selection of Whitcomb Riley's, "Knee-deep in June."

Riley is a pure lover of nature and children. Recitation, "The Fishing Party." Rec. "The Spoiled Child." Rec. "A Life Lesson." A second author, Paul Lawrence Dunbar—a full-colored man—a good poet. Recites a dialect, "An Easy Goin' Feller." Second—"His Spelling Book." Prof. Heydrick is truly one of the few men who can fully interest and instruct his audience. Last period Prof. Gonzalez on "Drawing."

WEDNESDAY EVENING.

Patricio Concert Company—I feel safe to say that no concert company visited Middleburg heretofore, and gave the same amount of satisfaction as this company in every respect and especially skill. Simply a grand display of discipline.

THURSDAY MORNING.

Devotional exercises by Rev. Schaeffer, of Freeport, Pa. Music, "Lead Kindly Light," "Holy! Holy! Holy!" "Red, White and Blue."

A very interesting talk on the Baker's dozen of B's—Supt. Harman.

I. Be neat attire and in work.

II. Be a student, student in growth.

III. Be loyal.—Be true in every performance.

IV. Be courteous.—Be polite and kind to all.

V. Be wary of rules.—Make no rules.

VI. Be prepared.—Ready for any work.

VII. Be sympathetic.—Sweet tempered.

VIII. Be reasonable.

IX. Be firm.—persistent.

X. Be cheerful.

XI. Be watchful.

XII. Be what you seem.

XIII. Be earnest.

Music—"Bye-lo-land," "Song of the Blacksmith." Supt. J. M. Coughlin of Wilkesbarre, on "Means and Ends in Education." Education means complete human development. "How to Live." A most excellent and instructive talk. Music, "Sweet Sunshiner."

"Drawing" by Mr. Gonzalez. Art for art's sake and commercial art. Literature and art go hand in hand.

Announcement of the committee on resolutions. Music, "Hurray! for the Red, White and Blue." "My Old Kentucky Home." Adjourned.

THURSDAY AFTERNOON.

Music, "America." "Let the Sunshine." A short talk by Prof. F. C. Bowersox.

Directors' session first. Having no president present, Dr. Shindel was elected President pro tem. The following officers were elected for the ensuing year: President, D. S. Sholly; Vice President, H. A. Klingler; Secretary, P. S. Ritter.

Prof. Wm. Noetting, J. H. Hendricks, P. S. Ritter, F. P. Custer, Chas. J. Beaver were elected as delegates to attend the State Directors' Convention. On motion, resolved that the district from which the delegates sent, bear the expenses to the convention.

Music, "Jolly Boys." Prof. Wm. Noetting, "Defects in the administration of our Schools as Seen by a Director." Parents should not keep children at home to work when they should be at home. The parents and directors should cooperate with the teachers. Be very careful in selecting text books. A very excellent and able talk. Solo; Mary Hillish. Music, "Song of the Blacksmith."

Dr. H. W. Glass, "School Sanitation." A very necessary and instructive talk. Music, "Help it On." Address by Supt. Coughlin. Such an address should and is advocated by every true citizen of the land. It was one of the few we can say "Amen" to.

THURSDAY EVENING.

Elijah Powell Brown of the "Ram's Horn" entertained, instructed and delighted the audience on the subject "The Marks of a Prince." His sayings are terse, axiomatic and full of humor, wit and wisdom. He is a representative man of the age, a leader of thoughtful men and wise women. He had the audience at his entire command.

FRIDAY MORNING.

Music, "Red, White and Blue"—"Watch on the Rhine"—"Come Thou, Almighty King." Devotional exercises by Rev. Shambaugh. Music, "Abide with Me."

Music, "Song of the Brooklet." Supt. Harman, "Responsibility on its Profession." Music, "My Old Kentucky Home"—"Good Night."

Supt. Coughlin—Character. IDA G. STAHL, Reporter.
