VOL. XXXVIII. DEC. 10, 1901. NUMBER 50

Over 70 Years of Age.

July 12, 1900 the Post published a partial list of citizens of Snyder County who were 70 years of age and older. The list included the districts of Adams, West Beaver, Middleburg, Monroe, Spring and Union. Since then we have received the names of those who have reached or passed the three score and ten limit. It includes the districts of Beaver, Center, Chapman, Middlecreek, Penn, Perry and West Perry. To complete the county we need the names from the districts of Franklin, Jackson, Selinsgrove and Washington. If some one in the last named districts will furnish the list, we will gladly publish it. The list we have is as follows;

BRAIN-FOOD NONSENSE.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain; another for muscles and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulate the liver to healthy action, purify the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at the Middleburg Drug Store. Get Green's Special Almanac.
