Firm of H. B. Anthony & Co., of Philadelphia, N. J. has made a proposition to purchase the Middleburg Shoe Company. The firm wants to organize a company capitalized at \$25,000 of which they agree to take \$20,000 worth of stock and the remainder to be raised here. Hon. G. Alfred Schuch has agreed to take \$6000 worth of stock and the remainder of \$9,000 of stock has not been taken. It seems to be an opportunity for capitalists to put their money in connection with a successful shoe manufacturing firm backed by plenty of capital and business experience.

The POST Always Best.

The 20th Century Press Clipping Bureau has been using a number of Snyder County newspapers since 1899 as mediums to gather data for their business. Their records show that they have clipped three times as many things from the Post during this period as from any other newspaper the county. The clippings they take out are sold at high prices and the newspaper that can stand a severe like this for three year must have merit. One dollar cash in advance brings it to any address for a whole year.

THROAT SORE?

There's no telling what a sore throat will do if you give it "right of way." Uncertain remedies often cause dangerous delay. Make a cure sure with Painkiller, known for half a century as a specific for a sore throat, croup, coughs, and all kindred troubles. Keep it by you for an emergency. It never fails. Avoid substitutes, there is but one Painkiller, Perry Davis', 25c and 50c.

The C. E. Society of the Reformed church of this place, will hold their Sock Social in the town hall, Thursday evening, Jan. 30, 1902.

Let the People Vote.

Communicate 1. Editor Post:—In order to have a definite time for the holding of the Republican primary election, the people should have an opportunity to vote on the question at the primary to be held Feb. 15, 1902. I would suggest that the committee submit the first or second Saturday of June of each year, so that there is no opportunity to let a few scheming politicians set the day to suit their pernicious schemes. If the day becomes a permanent fixture, every man knows when to expect the primary. The Delegate election can be had whenever necessary to be chosen in time for the state convention.

At this early date, no one knows who will be candidates for state offices, and many new issues may arise before the state convention, upon which the people should have an opportunity to express their choice. For these reasons, the people would like to have a day fixed by themselves, so that every person would know for a certainty, at all times, when the primary is to be held. We hope to see the committee take some action Saturday looking to the settlement of this question for all time.

REPUBLICAN.

Card of Withdrawal. To the Republican Voters of Snyder County. My name was announced some time ago for State Delegate and since that time I find there are a number of others in the county that are willing to accept the empty honors of this office, and owing to my business requiring all my time, which would prevent me from making anything of a canvass, I hereby decline being a candidate.

Thanking my friends for their encouragement, I am yours in the cause. J. H. RHODES.

Mary M. Weader.

Death has again invaded our community and called into eternity Mary M., wife of Abraham Weader. She was preceded to the spirit world just one week prior to her departure by her little grandson, an inmate of her own home. Little did we think when we laid the little bud to rest that we should so soon lay to rest the grandmother; but God's ways are not our ways. He is the Great Captain and at His command every knee shall bow, therefore, in humble submission we say, not our will, but Thy will be done. The family circle has been severed—the golden bowl broken—one of the principal links of the family chain is lost, the chain end severed. There is one vacant chair. The home has been broken—a kind, gentle, affectionate wife and mother has gone, yet by the aid of the children the father may be able to retain and keep sacred the home in kind obedience to the wish of the departed wife and mother. There is no place on earth so dear as home, "Sweet Home." It is our heaven on earth. She has been called to a higher and better "Home." We believe she is safe at home with Jesus. She possessed a kind and noble heart; a nature kind and generous; she was held in high esteem and respect as a true Christian lady. She will ever live in kindly affections of all her neighbors and friends. She has gone, but only for a short time—soon, dear husband and children, you may clasp the hands of loved ones on the shore eternal. She has gone on alone, a little ahead of you to prepare a dwelling place for you. Love cannot cease; the love of God is eternal. Live in the love of God and Christ; those who live in the love of God shall find each other again. You can not be parted long, you shall meet again. NEIGHBOR.

It Will Pay You.
