# NASAL CATARRH CURED

## Pe-ru-na Cures a Case of Five Years' Standing.

Mr. Rudolph M. Patterson, Chicago, Ill.

Hon. Rudolph M. Patterson, a well-known lawyer, of Chicago, Ill., writes the following letter to The Peruna Medicine Co., at Columbus, Ohio:

**Gentlemen:—**"I have been a sufferer from nasal catarrh for the past five years, and at the earnest solicitation of a friend I tried Peruna and am glad to say it has afforded a complete cure. It is with pleasure I recommend it to others."—**RUDOLPH M. PATTERSON.**

Mrs. J. C. Garrett, of 38 West 117th street, New York City, writes:

"I can honestly recommend Peruna as a great catarrh remedy. It heals and heals quickly and permanently.

"This is simply the whole story in a word. I have for years suffered with catarrh, aggravated when I took cold and Peruna cured me. It is indeed a great medicine, and worthy the

Mrs. J. C. Garrett.

highest praise, for it is reliable and will never disappoint you."—Mrs. J. C. Garrett.

There are two things that the whole medical profession agree about concerning catarrh. The first is that catarrh is the most prevalent and omnipresent disease to which the people in the United States are subject. All classes of people have it. Those who stay indoors much and those who go outdoors much. Working classes have it and sedentary classes have it.

The doctor finds catarrh to be his constant and ever-present foe. It complicates nearly every disease he is called upon to treat.

The second thing about catarrh on

which all doctors agree, is that it is difficult to cure it. Local remedies may give relief but they fail to cure permanently. Sprays or snuffs amount to little or nothing except to give temporary relief.

Catarrh is frequently located in internal organs which cannot be reached by any sort of local treatment. All this is known by every physician.

To devise some systemic internal remedy which would reach catarrh at its source, to eradicate it permanently from the system—this has been the desire of the medical profession for a long time. Forty years ago Dr. Hartman confronted this problem. He believed then that he had solved it. He still believes he has solved it. He cures thousands of people annually. During all these years Peruna has been the remedy upon which he has relied.

It was at first a private prescription, afterwards manufactured expressly for him in large quantities. This remedy, Peruna, is now to be found in every drug-store and nearly every home in the land. It is the only reliable internal remedy ever devised to cure any case of catarrh, however long the case may have been standing.

Mr. Camillus Senne, 27 West 129th street, New York, writes:

"I have fully recovered from my catarrhal troubles.

I suffered for three years with catarrh of the head, nose and throat. I tried all kinds of medicine without relief, but at last I have been cured by the wonderful remedy called Peruna.

"I read of Peruna in your almanac, and wrote you for advice, which I followed. After taking one and one-half bottles of Peruna I am entirely cured, and can recommend Peruna to anyone as the best and surest remedy for any catarrhal troubles."—**Camillus Senne.**

A course of Peruna never fails to bring relief. There is no other remedy like Peruna. Its cures are prompt and permanent.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

After supper all joined in another game of dancing, after which at about 12:45 o'clock all returned to their respective homes much pleased with the treatment they received at the hands of Mr. Stellen and his estimable wife, and were fully satisfied that a more pleasant evening could not have been spent. McCLURE.

Politics is bolling.

Some of the township office seekers are happy while many others are depondent.

The township primary is over and the ones nominated are virtually elected as the Democrats will not make any nominations as they were allowed to vote on Saturday for our candidates. The Republicans conceded this honor to them to let them vote as there is less than a quorum of a corporal's Guard in this township of them and many of them very good men.

Lumber is brought in from the mountain for the shirt factory.

Emanuel Peters an old four year veteran of the civil war being honored with the nomination for constable. This is credible to our township as Mr. Peters was defeated on a former occasion, he having served in the memorable P. V. Inf. for 4 years and returned battle scarred and with honor, after the war. He will be triumphantly elected.

Rev. E. F. Ott on Sunday last preached an interesting and patriotic "Memorial sermon" to the honor of Pres. McKinley as per recommendations by the Governor of Penna. and the Governor of Ohio. The Rev. based his remarks upon the word of God as found in 2 Samuel, third chapter and part of the 38 verse namely "Know ye not that there is a prince and a great man fallen this day is Israel." The Sunday School of the same church namely the Lutheran under the Superintendency of Ner B. Middlesworth contributed nearly four dollars toward the "Memorial Fund."
