The evening passenger train from the West was stranded here Saturday evening, owing to the dangerous condition of the tressle on the Island. The passengers over 60 in number were taken to the different hotels and cared for. Sunday afternoon they were taken to Lewistown Junction and sent around by Harrisburg. Some however had gone elsewhere Sunday by Livery teams. The water rose persistently until Sunday midnight when it began to recede. It was about 6 inches lower than the '89 flood. Pine street bridge again came out victorious as it still stands. The lower bridge, two spans are gone and the other span damaged. The bridge above town I am told is badly damaged. There were a great many people in town from the surrounding country during Sunday.

The Freshet.
 The heavy rainfall the latter part of last week upon the deep snow collected more water than the natural channels of the streams were able to carry. Middlecreek was so high and the ice running heavily that the iron bridge in the borough seemed in danger. It escaped uninjured. Ten flag stones of the walk were broken in the Flats and a great deal of washing-out was done. The Susquehanna was within 6 inches of the '89 flood. Roads were washed, fences removed, cellars flooded and other damage was done.

An Accommodating Judge.
 A good story is told of Mr. Jeff, who has just been appointed a judge of the high court. On one occasion, when he was recorder of Shrewsbury, a prisoner, who was something of a hypocrite, tried at a quarter sessions to melt his heart with tears.
 "Have you never been in prison?" asked Mr. Jeff, in soothing tones.
 "Never, my lord—never," was the reply.
 "Well, don't cry," the recorder replied. "That can easily be remedied. I'll send you there now."—London Globe.

Three Dead in Terrific Explosion at a Reading Music Store.
 Reading, Pa., March 3.—At 10 o'clock last night a terrific explosion occurred in the four-story music store of C. H. Lichty. The building at once completely collapsed. This was followed by the adjoining three-story brick umbrella factory of Mrs. Mary Rolland. Both buildings and contents were destroyed. A number of persons were in the buildings, but they were all accounted for except Mrs. Rolland and a friend, who called to spend the evening, and the wife of C. H. Lichty. Three persons perished. The explosion is said to have been due to acetylene gas, which was manufactured by a local company, of which Mr. Lichty was president. The building was filled with musical instruments. The total loss is \$250,000. Many of the total loss will be about \$250,000. Half a dozen people were seriously injured and badly damaged. The scene of the explosion was in the centre of the city and aroused everybody within its limits.

President Displeased With Census Bill
 Washington, March 4.—In conference with members of congress yesterday, President Roosevelt expressed his severe disapproval of the civil service provision of the bill creating a permanent census bureau, which has passed both houses and is now before him. The bill extends the provisions of the civil service law to all the clerks at present employed in the census office, numbering about 1,700, and the president takes the position that this action is an injustice to those who have passed and who may pass the civil service examination prescribed by law. He is expected, however, to sign the bill.

Coughs

"My wife had a deep-seated cough for three years. I purchased two bottles of Ayer's Cherry Pectoral, large size, and it cured her completely."
 J. H. Burge, Macon, Col.

Probably you know of cough medicines that relieve little coughs, all coughs, except deep ones! The medicine that has been curing the worst of deep coughs for sixty years is Ayer's Cherry Pectoral.

Three sizes: 25c, enough for an ordinary cold; 50c, just right for bronchitis, hoarseness, hard colds, etc.; \$1, most economical for chronic coughs and for those on hand.
