Cold Comfort from Doctors,

Doctors say neuralgia is not dangerous. This is poor consolation to a sufferer who feels as if his face were pierced with hot needles and torn with a thousand pairs of pincers. A word of advise to him: stay indoors and use Perry Davis' Painkiller. The blessed freedom from pain which follows this treatment cannot be told. There is but one painkiller, Perry Dayis'.

Dr. B. Peale's practice is in a A WISCONSIN PIONEER
