DISGUISED CATARRH.

A Stealthy, Insidious, Weakening Enemy to Women.

REV. HARRIET R. EDWARDS, CLINTON, IA.

Rev. Harriet R. Edwards in a recent letter from Mt. Pleasant Park, Clinton, Ia., writes: "I have found that Peruna is a wonderful medicine to use in diseases peculiar to women. It quickly and permanently restores health and vigor and acts as a natural tonic to a worn-out system. I have so far never observed a case which was not greatly aided by its use."—REV. DR. H. R. EDWARDS.

THERE are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wratched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties, only to go to bed at night as tired as before. Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable

Mrs. Wm. Hetrick, Kennard, Washington county, Neb., writes: "I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder-blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness, and trembling of the limbs, and was losing flesh all the time. "After following your directions and taking Peruna I now feel like a different person."—Mrs. Wm. Hetrick. Barbara Alberty, corner Seyenth and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna: "For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged. "A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other medicine I had ever taken. "I used it faithfully for two weeks and it completely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."—Barbara Alberty. Mrs. D. W. Mason, 532 Dauphine street, New Orleans, La., writes: "I have been taking your Peruna and Mannalin and can cheerfully recommend it to all those suffering with the same trouble that I was. I have been suffering for the past two years with female weakness, palpitation of the heart, stomach, kidney and liver disorder, and above all a dreadful cough with smothering spells. I was completely run down. "After I had taken one bottle of Peruna and a few doses of your Mannalin, I could sleep soundly, my heart was better, my cough left me, it acted immediately upon my nerves, and after taking four bottles according to your directions, I was entirely cured of all my troubles. "I can truthfully say that there is nothing to equal your Peruna and Mannalin. I was a different woman after taking the second bottle. It is without a doubt the best medicine in the world. Language fails to express my gratitude for this cure. May God bless you!"—Mrs. D. W. Mason. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his "valuable advice gratis." No matter how long you have been ill, nor how poorly you may be today, Ayer's Sarsaparilla is the best medicine you can take for purifying and enriching the blood.

Don't doubt it, put your whole trust in it, throw away everything else.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He know all about this grand old family medicine. Follow his advice and we will be satisfied.
