WILD PANIC IN CHURCH

Wind Storm Caused Part of Ceiling to Fall Upon Worshippers.

FIVE OF THE VICTIMS MAY DIE

While Minister Was in the Midst of Easter Sermon Building Was Unroofed and Large Chimney Blew Into Church—Scores of Houses Damaged.

Pittsburg, Pa., March 31.—One of the fiercest wind storms ever known in this section struck the city yesterday just before noon and did almost incalculable damage to property and injured many people, some of whom may die from the effects of their wounds. Scores of houses were unroofed, many trees were blown down, mill stacks toppled over, and telegraph and telephone wires were generally disabled.

The most serious accident reported last night was the unroofing of the Knoxville Presbyterian Church, in Knoxville. The church at the time was filled with an Easter congregation numbering about 600 persons. While the minister was in the midst of his sermon a particularly strong gust of wind blew over the large chimney and lifted a portion of the roof off the building. The bricks from the chimney crashed through the roof and carried a huge piece of the hardwood ceiling, measuring about 40 by 20 feet, down upon the worshippers in the pews.

An indescribable panic ensued and a frantic rush was made for the doors and windows. The excitement was soon quieted and the work of rescue begun. At least 40 persons were caught by the wreckage and more or less hurt. Of this number five may not recover. The more seriously injured are: Dr. R. J. Phillips, concussion of brain, may die; Curtis Ray McKnight, aged 4 years, internal injuries, both legs crushed, probably fatal; Clarence McNulty, internal injuries, badly crushed, may die; Fletcher Byron, fracture at base of brain, serious; David Smith, arm broken, head cut and badly battered, serious; Albert Schmidt, both arms broken and head cut. None of the others injured are seriously hurt.

Lightning Struck This One.

As Rev. J. W. English, pastor of the Robinson Run U. P. Church, near McDonald, was raising his arms to pronounce the benediction, lightning struck the church spire and it toppled upon the roof, crushing it and injuring a number of worshippers, two of whom will die.

The injured are: Robert Patterson, aged 10 years, skull fractured, will die; Leon Averill, aged 11 years, skull fractured, will die.

The spire and part of the roof of the U. P. Church, at McDonald, was torn off and the building considerably damaged, but no one was injured. The Nobletown Presbyterian Church was also unroofed, but the congregation escaped injury.

CYCLONE WRECKED CHURCH

Rev. Jamison Buried in Debris and Fatally Injured.

Greenville, Pa., March 31.—The Easter services being held in the United Presbyterian Church at James-town, this county, came to an abrupt

ending at 12 o'clock yesterday. The sky became overcast, and a funnel-shaped cloud was seen approaching from the northwest. The tail dipped to the ground just before the church was reached. The congregation became uneasy, but the pastor, Rev. J. M. Jamison, continued the services. All of a sudden there was a terrific crash and a part of the south end of the church crashed in, burying the minister beneath bricks and timber. The men of the congregation rushed to the pulpit, and when the stricken minister was removed from the debris it was found that he had received fatal injuries. His jaw was broken and the temporal bone was crushed. The storm was the worst that has occurred in this section for many years.

Miners Celebrate Eight-Hour Day.

Hazleton, Pa., April 1.—Today was observed as eight-hour day by the miners of the Hazleton region. Every colliery was idle. A big parade of miners took place at McAdoo. This evening addresses bearing on the eight-hour movement will be delivered in most of the mining towns herabouts. Coxe Bros. & Co., who locked out their 600 men at Derringer Saturday because of their failure to work on Good Friday, notified the miners to return to their places today, but the notice was ignored because of the eight-hour day celebration. The miners' leaders fear another lockout tomorrow.

Pardoned By President Roosevelt.

Columbus, O., April 1.—Steve Bussell, a Cherokee Indian from the territory, held under a life sentence at the Ohio penitentiary, was commuted by President Roosevelt and left the walls a free man today. He has been doing penance for the crime of his uncle, who had a bad reputation among his people. His uncle was trying to evade the officers while in company with Bussell. The two were overtaken and the uncle was killed, not, however, until he had killed several of the officers.

Stole a Gold Ingot.

Washington, April 1.—Joseph H. Brown, an employe of the Smithsonian Institution, was arrested yesterday, charged with the larceny of a gold ingot from the institution, kept there on exhibition. He admitted his guilt, and portions of the ingot, valued at \$107.50, were recovered from a dealer in old gold and silver, to which Brown had sold them. The value of the ingot was \$380.

MRS. HAINES ON WITNESS STAND

She Denied Giving Child Arsenic or Treating it Cruelly.

Mount Holly, N. J., April 1.—Mrs. Mable Fenton Haines, charged with the murder of her two-year-old stepdaughter, Gwendolin, just a year ago yesterday, was on the witness stand for four hours. She made a general denial of all the testimony offered by the prosecution. She positively denied having given the child arsenic or to have cruelly treated the little girl. She also denied ever having seen Mrs. John Palfrey, who testified last week that she saw Mrs. Haines kick Gwendolin in the face and otherwise mistreat her. She was cross-examined by the prosecution for an hour, and the state's attorney failed to shake her story.

Mrs. Haines' mother and brother, with a number of other witnesses, testified in her behalf, and then the state began calling witnesses in rebuttal.
