DEWEY'S FLAGSHIP OLYMPIA—CAPTAIN GRIDLEY, COMMANDER.

"At the solicitation of a friend I used Peruna, and can truthfully say it is a grand tonic and is a woman's friend, and should be used in every household. After using it for a short period I feel like a new person."—MRS. GRIDLEY.

Mrs. Longstreet is the wife of the famous Confederate General, Lieutenant-General James Longstreet, the only living ex-Confederate officer of that rank. She writes as follows to The Peruna Medicine Co.:

"I can recommend your excellent remedy, Peruna, as one of the best tonics, and for those who need a good, substantial remedy, I know of nothing better. Besides being a good tonic it is an effective cure for catarrh."—Mrs. James Longstreet.

Hon. Lucius E. Gridley, brother of Captain Gridley, also speaks a good word for Peruna. In a letter written from 1511 T Street, Washington, D. C., he says:

"The Peruna Medicine Co., Columbus, O. Gentlemen—Your Peruna has been thoroughly tested in my family. My mother and wife used it with the very best results, and I take pleasure in recommending it to all who want a good, substantial remedy, both as a tonic and a catarrh cure."—Lucius E. Gridley.

Miss Mary J. Kennedy, manager of The Armour & Co.'s exhibit, Trans-Mississippi Exposition, Omaha, Neb., writes the following in regard to Peruna, from 842 West Sixty-second street, Chicago, Ill.:

"I found the continual change of diet incidental to eight years' traveling completely upset my digestive system. On consulting several physicians they decided I suffered with catarrh of the stomach."

"Their prescriptions did not seem to help me any, so, reading of the remarkable cures perfected by the use of Peruna, I decided to try it, and soon found myself well repaid."

"I have now used it for about three months and feel completely rejuvenated. I believe I am perfectly cured, and do not hesitate to give unstinted praise to your remedy, Peruna."—Mary J. Kennedy.

Congressman Geo. W. Smith of Murphysboro, Ill., writes:

"I take pleasure in testifying to the merits of Peruna. I have taken one bottle for my catarrh and I feel very much benefited. To those who are afflicted with catarrh and in need of a good tonic I take pleasure in recommending Peruna."—Geo. W. Smith.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
