Holds up a Congressman.

At the end of the campaign, Mr. Clark, Missouri's brilliant congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about nothing left." It seemed that all his organs in his body were out of order, but three bottles of Electric Bitters made me all right. It's the all-around medicine ever sold by a druggist's counter." He will hereafter devote all of his produce to the Kantz correspondent to the "Post" says we are not the right people to write for paper. It may all be true, but when we start to plow the field, we do not fasten the key-pole at the collars of both teams like he did.

Health

"For 25 years I have never missed taking Ayer's Sarsaparilla every spring. It cleanses my blood, makes me feel strong, and does me good in every way."—John P. Hodnette, Brooklyn, N.Y.

Pure and rich blood carries new life to every part of the body. You are invigorated, refreshed. You feel anxious to be active. You become strong, steady, courageous. That's what Ayer's Sarsaparilla will do for you.

Small bottle. All druggists.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand family medicine. Follow his advice and you will be satisfied.

J. C. Ayer & Co., Lowell, Mass.

DUNDRE.

Our farmers are unusually busy this spring and find help very scarce. Our coal diggers are making the money as they find ready sale and good prices.

Our fishermen meet with fair success, but the fish pirates across the river, who before dawn of day, cut their nets and help themselves to the fish should be cautious as justice only slumbers, it never sleeps.

Our tax-payers must pay up as our collectors are being prosecuted for not getting the taxes in. The scales will now be turned. A poor rule that does not work both ways.

Farming potatoes brings in more money than digging gold in Klondyke.

We ought to have a county poor house or our township must build one, and the building ought to be 45x100 feet and 7 stories high to accommodate all the applicants as the string reaches already from here to Harrisburg and every week new customers apply, and there is a spirit of pride among our people to put their relatives on the township. Shame.

Our merchant says he never paid as high prices for butter and eggs in the month of May as he does now.

Our supervisors are bringing our roads up to our old standard.

Laziness and bad housekeeping is running more people than prosperity.

Wages are high and work plentiful and yet people want to be taken care of by the municipality.

E. S. Aucker is in town on an official consultation.

Jacob Kerstetter is running Dundre's plantation with perfect delight.

A number of our farmers got their seed oats from our merchant.

Milton Kerstetter, a bright and promising young boy, has sworn allegiance to No-Tobacco and his loyalty to a better life is worthy of imitation by other boys.

Spray your trees now, it will destroy the caterpillars and assure a heavy crop of perfect fruit.

Jacob S. Reichenbach of Pittsburg was visiting his relatives the past week.

Oscar Longacre, the carpenter of Hot Springs, is very busy at his trade.

Theory and Practice.

Doctor—As a physician, I must condemn the use of alcoholic beverages. Patient—But you use them yourself. Doctor—Yes; but not as a physician. When I drink, I am nothing but an ordinary human being with a thirst.—Puck.

Hon. Dan. A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says:

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."—DAN. A. GROSVENOR.

In a recent letter he says:

"I consider Peruna really more meritorious than I did when I wrote you last. I receive numerous letters from acquaintances all over the country asking me if my certificate is genuine. I invariably answer, yes."—Dan. A. Grosvenor.

A County Commissioner's Letter.

Hon. John Williams, County Commissioner, of 117 West Second street, Duluth, Minn., says the following in regard to Peruna:

"As a remedy for catarrh I can cheerfully recommend Peruna. I know what it is to suffer from that terrible disease and I feel that it is my duty to speak a

good word for the tonic that brought me immediate relief. Peruna cured me of a bad case of catarrh and I know it will cure any other sufferer from that disease."—John Williams.

Bogar and Bingaman have a new coal yard and are now ready to accommodate the public with the Susquehanna's product.

We noticed last week that Bogar's planing mill was again in operation. Hope it may continue its work as it had been one of our last industries since the abandonment of the canal. Bogar has placed an engine boiler in his mill and we think he will continue his business at the old stand.

Our enterprising citizens have not as yet perfected their plans for the shirt factory but we hope they will go ahead as there is nothing which will aid our town as much as the employment of its citizens because they as a general rule spend their money where they earn it.

Several real estate transactions were made in town last week between the executor of the Backus estate and some of our townsmen.

There are still, according to the Washington Star, many old-fashioned people who attach more importance to the fact that March came in like a lamb than they do to say remarks of the weather bureau.

"I doubt if Peruna has a rival in all the remedies recommended to-day for catarrh of the stomach. A remedy that will cure catarrh of the stomach will cure the same condition of the mucous membrane anywhere. I have found it the best remedy I have ever tried for catarrh, and believing it worthy my endorsement I gladly accord it.—Mattie L. Guild.

A Congressman's Letter.

Hon. W. P. Brownlow, Congressman from Tennessee, writes from Washington, D. C., the following:

"I have suffered from catarrh of the stomach for several years, and for the past twelve months was in an exceedingly critical condition. My attention was called to your Peruna, and I began to use it, and my improvement was noticeable after the first three days. I have taken three bottles of the medicine and I feel satisfied that I am now almost, if not permanently, cured. In connection with the Peruna, I have used your Manalin for biliousness and torpid liver. I regard it as the best medicine for this purpose that I have ever used. Having been benefited so much myself, I give you this statement, that others may be likewise benefited."—W. P. Brownlow, M. C., Jonesboro, Tenn.

Mrs. Elmer Fleming, orator of Reservoir Council No. 168, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2885 Polk street, N. E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—Mrs. Elmer Fleming.

Treat Catarrh in Spring.

The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

The Debate Friday eve between Juniata College and Susq. Un.

was well attended. The Question Resolved "That The U. S. should retain permanent control of the Philippines," was debated in the Affirmative by S. U. and the Negative by Juniata. The question was decided in favor of the Negative on mere sentiment as our boys had all the arguments.

Waiter—I expect you to pay in advance, sir.
