A COLLEGE PROFESSOR.

One of Georgia's Useful Educators is Grateful For What Pe-ru-na is Doing For Suffering Humanity.

F. A. Curtright, A. B., Principal of the Georgia Normal and Industrial Institute, and editor and proprietor of the "Georgia Helping Hand" writes the following glowing words concerning Peruna, and its efficacy in the cure of catarrh.
He says: "I was induced to try Peruna by the advice of a friend, and certainly believe that suffering humanity would be relieved if they only gave Peruna a fair trial. Would that I could frame words sufficient to express my gratitude for the benefits derived from its use."—F. A. CURTRIGHT, Greensboro, Ga.
Hon. W. N. Roach, United States Senator from North Dakota, in a letter written from Larimore, North Dakota, says:
"Persuaded by a friend, I have used Peruna as a tonic, and am glad to testify that it has greatly helped me in strength, vigor and appetite. I have been advised by friends that it is remarkably efficacious as a cure for the almost universal complaint of catarrh."—W. N. Roach.
Senator Roach's wife recommends Peruna also. She says: "I can cheerfully

recommend your excellent remedy, Peruna. Indeed, I know of no other remedy so good as yours. It is a grand tonic, and many of my friends have used it for catarrh with good results."—Mrs. W. N. Roach.
The most common phases of summer catarrh are catarrh of the stomach and bowels. Peruna is a specific for summer catarrh.

Mr. Wm. Hebley, Duquesne, Pa., writes:—"I am cured of catarrh of the stomach of two years standing. I had it so bad that I could not eat anything but milk. I doctored with several doctors and they could give me relief for a short time only. I saw Peruna recommended and thought I would try it, and I now think I am cured of catarrh. I have worked two months and did not lose a day."—Wm. Hebley.
Mr. Moses F. Merrill, Columbus, Cherokee Co., Kansas, Rural Route No. 2, writes:
"I had been troubled with systemic catarrh, which affected the lower bowels especially. I was troubled with running off of the bowels and troublesome catarrh of the bronchial tubes which caused spitting of thick mucus. Since taking Peruna my improvement has been wonderful. My bowels are regular as clock-work. I can now eat like other people and my vitals digest."—Moses F. Merrill.
Hon. Willis Brewer, Representative in Congress from Alabama, writes the following letter to Dr. Hartman:
House of Representatives, Washington, D. C.
The Peruna Medicine Co., Columbus, O.:
Gentlemen—"I have used one bottle of Peruna for lassitude, and I take pleasure in recommending it to those who need a good remedy. As a tonic it is excellent. In the short time I have used it has done me a great deal of good."—Willis Brewer.
If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
