MRS. BARBARA McDONALD, President of the St. Louis Blue Ribbon Club, writes the following letter concerning Peruna from 297 Dayton street, St. Louis, Mo.: "It is with feelings of gratitude for benefits derived from the use of Peruna that I desire to proclaim to human-kind my experience, hoping that it will benefit some unfortunate sufferer like myself. "Suffering for years with what appeared to be an incurable malady, and after a great expense incurred consulting physicians without any benefit, I was recommended to try Peruna. As a last expedient I purchased a bottle, and before one-half of the contents were used I felt the beneficial results. I am continuing to use same, and might say I am entirely well. My disease seemed to be catarrh of the stomach, and the nauseating sensation, and the heavy, languid, tired-out feelings with which I suffered, especially after eating, have entirely left me, and my digestive organs are in splendid condition, all of which I owe to the use of Peruna." **MRS. BARBARA McDONALD.** Miss Julia V. Teller, of 2518 Prairie street, Milwaukee, Wis., is President of the German Young Woman's Union. Her opinion of Peruna is given in the following words: "Our German Young Woman's Union has nothing but praise for Peruna. Three of our members have been most wonderfully helped. One of them had the lassitude incident to spring weather is especially trying to women. Allments peculiar to the sex of many varieties are especially prone to aggravation. All this class of affections are fitly described by the term "pelvic catarrh." Any woman wishing to be placed on the list of Dr. Hartman's patients for free home treatment and advice should immediately send name and symptoms, duration of disease and treatment already tried. Directions for the first month's treatment will be promptly mailed free of charge. No free medicine will be supplied by the doctor, but all necessary directions will be furnished. Read what the above ladies have to say of Peruna as a cure for these cases. If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

almost constant headache for the last year. The other two suffered from catarrh of the head and throat. "I have used it after a most unpleasant experience with an attack of la grippe, and found that three bottles completely restored me to health."—**JULIA V. TELLER.** Mrs. Mary Hardy, of 508 W. Polk street, Chicago, Ill., writes: "I find it necessary each spring to take some kind of a tonic and have tried a great many but have found none of such value as Peruna. "After taking a few doses I feel the good effects and seldom need to take more than one bottle as a spring medicine."—**MRS. MARY HARDY.** Mrs. Catherine R. Bertos, 808 N. Elm street, Centralia, Ill., writes: "I have found Peruna the most satisfying medicine I ever tried in my life. I suffered for years with catarrh of the stomach, which became aggravated every time I caught a slight cold. My food did not digest properly, and life lost its best charm until I tried Peruna. It made a new woman of me. It took eight bottles to effect a complete cure, but I would not be back in the former condition for a thousand dollars. I am most grateful for being cured completely and feel better than I have done for years."—**CATHERINE R. BERTOS.**
