There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. **F. J. CHENEY & CO., Props., Toledo, Ohio.** Sold by Druggists, 75c. Hall's Family Pills are the best.

**FOR SYSTEMIC CATARRH**  
 Peculiar to Summer Pe-ru-na Gives Prompt and Permanent Relief.

Clem G. Moore, Editor of the Advocate-Democrat of Crawfordsville, Ga., writes the Peruna Medicine Company as follows:  
**Gentlemen—**"After four years of intense suffering, caused by systemic catarrh, which I contracted while editing, and traveling for my paper, I have been greatly relieved by the use of Peruna. I gave up work during these years of torture, tried various remedies and many doctors, but all the permanent relief came from the use of Peruna. My trouble was called indigestion, but it was catarrh all through my system, and a few bottles of Peruna made me feel like another person, noting the improvement after I had used the first bottle. Peruna is undoubtedly the best catarrh remedy ever compounded.—CLEM G. MOORE.  
 Judge Wm. T. Zenor, of Washington, D. C., writes from 213 N. Capital Street, Washington, D. C.:  
 "I take pleasure in saying that I can cheerfully recommend the use of Peruna as a remedy for catarrhal trouble and a most excellent tonic for general conditions."—Wm. T. Zenor.  
 Mrs. Amanda Morrill, 136 Reid street, Elizabeth, N. J., writes:  
 "I have been sick over two years with nervous prostration and general debility, and heart trouble. I have had four doctors; all said that I could not get well. I had not walked a step in nine months, suffering with partial paralysis and palpitation of the heart every other day, and had become so reduced in flesh as to be a mere skeleton weighing only 85 pounds.  
 "Up to this date I have taken Peruna for seven months. It has saved my life as I can safely testify. I have not felt so well in five years, having walked over one mile without ill result, and have also gained thirty pounds since commencing to take Peruna. In fact, I cannot praise it too highly."—Mrs. Amanda Morrill.  
 Peruna never fails to prevent systemic catarrh or nervous prostration if taken in time. Peruna is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.  
 If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.  
 Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
