Gray Hair
"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. South, Billings, Mont.
There is this peculiar thing about Ayer's Hair Vigor—it is a hair restorer, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too. \$1.00 a bottle. All druggists.

Marriage Factory at Millintown
Over along the quiet Juniata, where the blue of this historic stream blurs and blends with the azure of the sky, they have instituted a marriage factory. Now all the old maids and bachelors can find solace for their burning love. The following advertisement was cut from a Philadelphia paper:
LADIES or gentlemen wishing correspondents for pastime, improvement, or marriage should write to us, we introduce you by mail particulars for stamp. Correspondence Club, Millintown, Pa.
We have no means of knowing whether Editors Espenshade, Jackson and Schweler are in the scheme or not. A marriage factory is a new brand of institutions and judging from the number of bachelors Juniata county sends over to Snyder county, the locality itself should make it a flourishing institution.

"PE-RU-NA NECESSARY TO THE HOME"

[Says Prof. Talford Smith, of Georgia.]

Professor Talford Smith, Principal Silliam High School, Silliam, Ga., writes: "With much pleasure I recommend Peruna to all who may be suffering with any trouble of the respiratory organs. I have been using it in my family for the past five or six years and find it to be almost a household necessity. Peruna is truly a grand catarrh remedy and general tonic and will do all that is claimed for it by the manufacturers."
---PROF. TALFORD SMITH.
Catarrh is inflammation of the mucous membrane. It may be in the mucous membrane lining the eyes or the pelvic organs, throat, stomach, liver, bowels or kidneys.
Catarrh is catarrh wherever located. Peruna cures catarrh wherever located. Peruna is an internal remedy; not a local application.
Catarrh is a systemic disease, not a local disease. If Peruna will cure catarrh in one place it will cure it in any other place, because Peruna is a systemic remedy. It reaches the disease through the circulation in each organ. It eradicates the disease by eradicating it from the system.
If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.
