A Typical South African Store.

O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about 25 miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlains remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlains Cough Remedy. This must surely be a record." For sale by the Middleburg drug store.

DETROIT VISIT ENDED

President Participated in and Reviewed Military Parade.

Detroit, Sept. 23.—President Roosevelt's two days' visit to Detroit came to an end last evening at the conclusion of a banquet tendered him in Light Guard Armory by the Spanish War Veterans, the opening of whose third annual reunion he attended yesterday morning. It was a brilliant event. Nearly 800 men sat at tables on the floor of the big armory, and the galleries were crowded to their utmost capacity by brilliantly gowned women and their escorts. When the president rose to begin his address, which was the first of the evening, he received an ovation. He eulogized the veterans of the Spanish war for their deeds, and declared that we have no apologies to make for the war in Cuba or in the Philippines. As a result of the latter, he said, we will give the Filipino life, liberty and the pursuit of happiness such as they never knew under a cruel oligarchy operating through the Society of the Katipunan.

Yesterday afternoon President Roosevelt participated in and afterward reviewed the military parade. Never were such crowds seen in the streets, and never was a man given a greater popular ovation in this city than the president received yesterday afternoon.

The different bodies were formed into company column after the president had driven past and when the signal was given the review began. In the first division was the Twenty-first Regiment, Essen Fusiliers, from Windsor, Ont. For the first time, a president of the United States reviewed a regiment of British soldiers. The red coats and white helmets of the Canadians were in sharp contrast to the sober blue of the United States troops as they swung past at a smart pace, their splendid band playing "The British Grenadiers." They received an especially cordial salute from the president, and throughout the afternoon the "redcoats" were cheered to the echo by the crowds.

JEALOUS LOVER'S REVENGE

Johnstown Men Shot Young Lady and Then Killed Himself.

Johnstown, Pa., Sept. 22.—David M. Goughner, a well-known young man, shot and seriously wounded Miss Lorena Winnelrenner, aged 17 years, near her home in Conemaugh, near this city, Saturday night, and then sent a bullet into his own heart, dying instantly. Jealousy and a desire for revenge are given as the causes for the act. Miss Winnelrenner, accompanied by a friend named Edward Kaylor, were walking along a street. Goughner passed them, evidently in a hurry. When a few feet ahead he suddenly turned and without warning commenced firing. The first shot struck Miss Winnelrenner just below the breast bone and took a downward course. As the girl turned and started to run, Goughner fired again, the bullet striking her in the left side, making only a slight wound. A third shot grazed her left wrist.

Kaylor ran when the fusillade began and escaped injury. He says Goughner fired two shots at him. After emptying the revolver, Goughner reloaded it, and, placing the muzzle directly over his head, fired the shot which killed him instantly.

At the Memorial Hospital it was said that while Miss Winnelrenner's condition is extremely serious, she may recover.

TWENTY-FIVE MOROS KILLED

Captain Pershing's Force Also Captured Seven Forts.

Manila, Sept. 23.—Up to Sunday the force commanded by Captain John J. Pershing of the Fifth-month Infantry operating against the Moros in the island of Mindanao, had met with slight resistance in the Maclin country and had captured seven forts, killed 25 and wounded 29 Moros. There were no American casualties.

Captain Pershing's courier reached Brigadier General Samuel S. Sumner at Camp Vigan yesterday. The captain reported that he first moved on Goman, where the troops took three forts. They then pushed on to Bayabao and captured two more. From there the column proceeded to Sanit and captured two more forts. From Pantuan to Sanit, in the country dominated by the Sultans of Calit and Butig and the two Sultans of Maclin, the column was frequently fired upon.

General Sumner has forwarded additional orders to Captain Pershing, so as to permit him to keep in the field if Maclin offers serious resistance.

Pennypacker's Tour.

The tour of Judge Pennypacker through the western part of the state has been an enthusiastic and endless succession of ovations. At Johnstown on Saturday night he spoke to an audience of thousands that filled the big Opera House. Attorney General John P. Elkin also spoke from the same stage and was accorded an enthusiastic reception.

The meeting was one of the largest ever held in Johnstown. General Elkin paid an eloquent tribute to the high character and purpose of Judge Pennypacker, pledged his undivided support and predicted an overwhelming victory for the Republican ticket this Fall.

A Cough

"I have made a most thorough trial of Ayer's Cherry Pectoral and am prepared to say that for all diseases of the lungs it never disappoints."

J. Early Hiley, Ironville, Mo.

Ayer's Cherry Pectoral won't cure rheumatism; we never said it would. It won't cure dyspepsia; we never claimed it. But it will cure coughs and colds of all kinds. We first said this sixty years ago; we've been saying it ever since.

Three sizes: 25c, enough for an ordinary cold; 50c, just right for bronchitis, hoarseness, sore throats, etc.; 75c, most economical for chronic cases and to keep on hand. J. C. AYER CO., Lowell, Mass.
