NOTES AND COMMENTS.

The Cities of the Levites,-With to-day's lesson we see the contion of the division of the land among the tribes. Only the Levites who were set apart to the Lord, remained. Joshua now located them in cities here and there throughout the country. Probably the whole city in each case was not furned over to them, but only such part as was needed, with the privilege of pasturing cattle in the "suburbs," as the strip of pasture land just outside the city wall was called. Thus Hebron is said to have been given to Caleb (14:1) and also to the Levites (21:13.) The Misunderstanding,-The in-

Heart From Attack of LaGrippe.

Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon made apon the weak neart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

"Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved. I continued with the remedy until I had taken in all isk bottles, when I was able to attend to business without inconvenience. I was completely and permanently cured of heart trouble by Dr. Miles' Heart Cure and cheerfully recommend it to all sufferers from that terrible affliction."—H. H. EHLE, Gloversville, N. Y.
