

PLEASES POLITICIANS.

Assistant Postmaster General's Order
Relating to Partisan Activity
of Office Holders.

The recent order of Assistant Postmaster General Wynne, defining the lengths to which postmasters may go in their desire to render service to the political party of their choice, is based upon a letter written by President Roosevelt, and therefore correctly interprets the views of the administration on this important question. Under some of the presidents, postmasters as well as other federal office holders, have practically been deprived of many of their inherent rights as citizens and required to maintain a pose of absolute neutrality and non-combative-

ness in each succeeding political campaign.

According to President Roosevelt's way of thinking, however, the federal office holder has rights as a citizen and will be permitted, within certain broad lines, to exercise them. For instance, it will now be permissible for postmasters—and this ruling will apply to all federal employees—to join political clubs, attend political conventions as delegates, and, should they desire to do so, to contribute to campaign funds. They ought not, however, in the president's judgment, to become unduly active in campaign work. In other words, he would not have them acting as the chairman of political conventions, or of campaign committee, or in any other way setting the pace within their parties as leaders. But as followers—high privates in the rear ranks of partisanship—they will have full rights and be protected in their exercise.

This new ruling is much more liberal than any that has been made on this question for many years, and it will be welcomed by thousands of postmasters, big and little, in all parts of the country.

WARREN B. KNISKERN.

Position of Passenger Traffic Manager
Created for Him by the
Northwestern System.

It was announced recently from the Chicago & Northwestern railway headquarters that W. B. Kniskern had been promoted to the position of passenger traffic manager of the system, an office created for him.

Mr. Kniskern's long service in Chicago with the Northwestern and his connection with other railroad companies of the country have given him

a wide acquaintance. His standing in the railroad world has been of the highest.

His regular promotions from the small beginning as office boy to the head of the passenger department of the company with which he is now connected is an evidence of the ability and business qualifications which have won him his reputation.

Mr. Kniskern has devoted his entire business life to railway work. He was first with the Illinois Central railroad, by which he was employed as office boy in 1869. His first connection with the Chicago & Northwestern railway was from 1873 to 1876, during which period he filled various clerical positions with the general passenger and general ticket departments of that company.

From 1875 to September 1, 1885, he was employed by the Louisville & Nashville Railroad company at Louisville, Ky., and New Orleans. He re-entered the service of the Northwestern on September 1, 1885, coming to Chicago as assistant general passenger agent. He was appointed assistant general passenger and ticket agent January 1, 1890, and general passenger and ticket agent January 1, 1905. He has held the last named position up to the present.

WILL SEND \$4.00 FREE

Franklin Miles, M. D., L.L. B., the Celebrated Chicago Specialist, Will Send \$4.00 Worth of His New Special Treatment Free to Each of Our Readers.

When an experienced physician offers to give away \$40,000 worth of New Treatment for diseases of the heart, nerves, stomach or dropsy, it is conclusive evidence that he has great faith in it. And when hundreds of prominent people freely testify to his unusual skill and the superiority of his New Special Treatment, his liberality is certainly worthy of serious consideration.

That Dr. Miles is one of the world's most successful physicians is proven by hundreds of testimonials from well known people. One patient cured after failure of eleven Grand Rapids physicians, two after being given up by six and seven Chicago physicians, another after nine leading doctors in New York City, Philadelphia and Chicago failed. 1000 testimonials sent upon request.

The eminent Rev. W. Bell, D. D., of Dayton, O., Gen. Sec'y of Foreign Missions, writes editorially in The State Sunday School Union: "We desire to state that from personal acquaintance we know Dr. Miles to be a most skillful specialist in a man who has spared neither labor nor money to keep himself abreast of the great advancement in medical science."

Col. Tucker, late General Manager N. Y. & E. & W. R. R. says: "Dr. Miles' success as a physician has been phenomenal." "My heart," writes D. M. Davis of Warren, Pa., "was so bad I was fearful of going to sleep lest it would be my last. Dr. Miles saved my life. I was completely cured in six weeks." Mrs. Abigail Chambers, of Chambersburg, Pa., states: "My trouble was in the brain and spinal cord. When I commenced Dr. Miles' treatment I could hardly walk across the room; now I am able to do all my own work." Mrs. W. A. Warren, of James, N. Y., reports: "For years I had severe trouble with my stomach, neuralgia, sinking spells, and dropsy. Dr. Miles cured me."

This new system of Special Treatment is thoroughly scientific and immensely superior to the ordinary methods.

As all afflicted readers may have \$4.00 worth of treatment FREE, we would advise them to send for it at once. Address, Dr. Franklin Miles, 203 to 211 State Street, Chicago, Ill.

Weak

Heart From Attack
of LaGrippe.

Palpitation, Smothering,
Short Breath.

Dr. Miles' Heart Cure
Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

"Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved. I continued with the remedy until I had taken in all six bottles, when I was able to attend to business without inconvenience. I was completely and permanently cured of heart trouble by Dr. Miles' Heart Cure and cheerfully recommend it to all sufferers from that terrible affliction."—H. H. EHLE, Gloversville, N. Y.
