 PREPARED EXPRESSLY FOR THE POST BY ITS CORPS OF CORRESPONDENTS

**UNITED STATES SENATOR THURSTON,**  
**The Brilliant Statesman from Nebraska,**  
**Makes an Important Public Utterance.**

INTERIOR OF THE UNITED STATES SENATE CHAMBER.

Ex-Senator John M. Thurston, of Omaha, Nebraska, is one of the most prominent and influential men in the country. He made the speech nominating President McKinley at the St. Louis convention, and was made permanent Chairman of this convention. He was also made Chairman of the convention that renominated the late President McKinley at Philadelphia. He was appointed by President McKinley to be Chairman of the St. Louis Exposition Commission. This prominent gentleman recently wrote the following letter to The Peruna Medicine Co., of Columbus, Ohio:

Washington, D. C., April 6, 1901.  
 "I have used Peruna at various times during the past year or two with most satisfactory results.  
 "It entirely relieved me from an irritating cough—the result of excessive effort in the presidential campaign, and I am a firm believer in its efficacy for any such trouble."  
 —Jno. M. Thurston.  
 Catarrh has already become a national curse. Its ravages extend from ocean to ocean. More than one-half the people are affected by it. It has become such a serious matter that it has passed the boundaries of the medical profession and become a national question. Senators are talking about it; Congressmen are discussing it. They are not only considering the extent and chronic nature of the disease, but the possibility of finding a national remedy to meet this national calamity. The catarrh remedy, Peruna, seems to be the main expectation in this direction. Dr. Hartman, President of The Hartman Sanitarium, devised the remedy, Peruna, over forty years ago, and the remedy as a catarrh cure has been growing in favor steadily all these years. It stands to-day before the nation as a thoroughly tested, accurately scientific
