### GOLDEN GATE TOURS.

Under the Personally-Conducted System of the Pennsylvania Railroad.

California and the Pacific Coast resorts have become so popular in recent years with the better class of winter rest and pleasure seekers that the Pennsylvania Railroad Company has decided to run two Golden Gate tours this winter, one to include the famous Mardi Gras spectacle at New Orleans. On the going trip both tours will travel by the Golden Gate Special, one of the finest trains that crosses the continent. One tour will return by this train, while passengers by the other and later tour will use regular trains returning. In California, passengers will be entirely at their own pleasure in the matter of itinerary. Should a sufficiently large number of passengers desire to join in taking an itinerary suggested by the Pennsylvania Railroad Company, the services of a Tourist Agent and Chaperon will be at their disposal.

The first tour will leave New York, Philadelphia, Baltimore, Washington, and other points on Thursday, January 29, and will travel via Chicago, Kansas City and El Paso to Los Angeles and San Diego, arriving at the latter point February 2. An entire month may be devoted to visiting California resorts, the Golden Gate Special leaving San Francisco on the return trip Tuesday, March 3, and returning via Salt Lake City, Glenwood Springs, Colorado Springs, and Denver. The rate for this tour will be \$300, covering all expenses of railroad transportation, including side trips in California, as well as berth and meals on the Golden Gate Special going and returning. No hotel expenses in California are included. Tickets are good for return trip for nine months, excepting that passengers who do not return on the Special must provide their own Pullman accommodations and meals eastbound.

Tour No. 2 will leave Thursday, February 19, by the Golden Gate Special, Cincinnati, Montgomery, and Mobile will be visited en route to New Orleans, where the party will stay during the Mardi Gras festivities. The train will be side-tracked for occupancy during the three days spent in New Orleans. Stops will also be made at Beaumont, Texas, Houston, Texas, San Antonio, and El Paso. The train will arrive at San Diego, February 28. So far as special train arrangements are concerned, this tour will be completed at San Diego. Passengers may dispose of their time in California as they see fit. Should a sufficient number desire to take a suggested trip through California, the services of a Tourist Agent and Chaperon will be placed at their disposal.

The rate for this tour will be \$275, covering all railroad transportation for the entire trip, including side trips in California, seat at the Mardi Gras Festival, and Pullman berth and all meals on the Golden Gate Special from New York until arrival at San Diego.

Private compartments, i. e., drawing rooms or state rooms, may be obtained by the payment of additional charges on both tours. A detailed itinerary is in course of preparation, giving all information concerning these tours. Application should be made to George W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia, Pa.
